stone, the American missionary, for the payment of the ransom demanded, expired a week ago, no one has appeared at Samakov to claim the money or to announce the fate of the captives. It is now learned that the band has dissolved, but that Miss Stone is kept under surveillance at some distance from the frontier. This is due to snow and cold weather rendering the mountains uninhabitable. The efforts of the police to arrest Saraoff, formerly president of the Macedonian Committee, who is suspected of complicity in the kidnapping, are still unavailing. The failure is due to the sympathy of the inhabitants and local authorities.

PROSPECTUS.

THIS Company has been formed for the purpose of acquiring and further developing the well-known business of The Charles A. Vogeler Company, owners and manufacturers of various old-established proprietary articles, principal among which are St. Jacobs Oil and Vogeler's Curative Compound; and generally to deal in drugs, medicines, chemicals, druggists' sundries and various articles and specifics.

The chief remedy associated with the name of The Charles A. Vogeler Co, bearing its familiar Trade Marks, the Upright and Sitting Monk (shown on the front of this Prospectus), with the well-known words, "Conquers Pain" and "Acts Like Magic," is St. Jacobs Oil, which is known throughout the world as an external application of proved efficacy for rheumatism, neuralgia, soreness, stiffness, aches and pains. It has a world-wide reputation and sale. Almost equally well known to the public is Vogeler's Curative Compound, made from the private formula of an eminent West End physician.

There are other preparations which this Company will acquire, the most valuable being certain very old-established "German remedies," which have a very large sale amongst the German people throughout the world.

"The men who captured us, at first showed courtesy and consideration toward us, but, now, since Turkish soldiers and Bashibazouks have begun to pursue us and the ransom is delayed, our condition is altogether changed.

"Therefore, I beg you to hasten sending the ransom demanded, and that as energetically as possible you will represent to the Turkish government that it is top the pursuit of us by soldiers and Bashibazouks, otherwise we shall be killed by the people in whose hands we are. I pray you to communicate without delay the contents of this letter to the representative of the United States at the Porte, and request this most serious co-operation.
