EASTERN BASEBALL CIRCUIT.

Committee Meets at New York and Hears Richmond's Plans.

New York, Dec. 20.—At a meeting of the Circuit Committee of the Eastern League of Professional Baseball Clubs, held yesterday at the Victoria Hotel in this city, a plan involving a change in the circuit was considered. Those in consultation were Patrick T. Powers, president of the league; J. J. Nevins, of the champion Jersey City Club; G. T. Stallings of Buffalo, and Edward Hanlon of Baltimore.

Jake Wells, representing capitalists of Richmond, Va., made an offer on behalf of that city to gain admission to the league. In his career as a baseball manager Wells has brought before the public Chesbro, Tannehill, Leever, Bill Donovan, P. Flaherty, Pfaumiller and Bishop.

Whether Richmond will be admitted is a question, however, that will not be settled until after the annual meeting of the league. In fact, it will depend upon a decision of the owners of the Montreal Club as to whether they desire to remain in the circuit, at present there is much doubt as to what they will do. Montreal became a member when Worcester dropped out last season.

In case Richmond takes Montreal's place, the eastern and western divisions will probably be arranged so that Jersey City, Newark, Providence and Richmond are in the east, and Rochester, Toronto, Baltimore and Buffalo in the west.

No Challenge From Lipton.

New York, Dec. 20.—G. A. Carnack, secretary of the New York Yacht Club, decided yesterday that the letter received from Sir Thomas Lipton, and referred to by Sir Thomas at a dinner at the Hyde Park Hotel, in London, on Friday night, constituted a challenge, as was implied in yesterday's London cable despatches. After admitting that he had received a letter from Sir Thomas that afternoon, Mr. Carnack said:

"As I do not consider the letter important, I cannot disclose its contents until the regular meeting of the club in February, after which it will be given to the press."

At the London dinner Sir Thomas was quoted as saying that, provided he had a reasonable chance of success, he was quite willing to make one last attempt to lift the cup.

Ice Yachts in Ten-Mile Race.

Red Bank, N.J., Dec. 19.—In a fresh southerly wind four third-class boats of the North Shrewsbury Ice Yacht Club sailed a ten mile race this afternoon for club pennants. The starters were: Newton Downes's Atalanta, Edward Asay's Daisy, Henry Grant's Trio and Daniel Asay's Zero. Early in the contest Trio broke through the ice and was hopelessly out of the race by the time she was fished out. The race was won easily by the Atalanta, her time being 25 minutes.

Live Bird Shoot at Dutton.

Dutton, Dec. 19.—The third annual handicap live bird shoot of the Dutton Gun Club was held yesterday. The entry was large, and the competition thruout the tournament was very keen. PLAYED FOOTBALL ON SATURDAY.

Toronto Scots Beat Alerts for Junior Championship.

The Toronto Scots Juniors and the Alerts met at Bayside Park on Saturday afternoon for the championship of the city, also the championship of Ontario, the Scots winning by 1—0.

The game was fast and exciting thruout, despite the slippery ground. Both teams played a very even game, the Scots having much the best of it the first half, altho the game evened up during the second half, the Scots kicked with the wind the first period, Mitchell scoring on a very neat run and shot. The Alerts tried to tally in the second, but the Scots' defence were always on the spot and some beautiful kicking was done by both backs, the halves showing up in perfection. Harvey played a very heady game at centre. Beatty and Gordon also shone on the half. G. Smith played a very good game for the Alerts, as did Penny. This makes the second time the Toronto Scots have won the junior championship of Ontario, and the fourth time for the junior championship of the city. The teams line-up:

Scots: Goal, Morgan; point, Gordon; rover, Moore and Killaly; backs, Ledger, Beatty, Gordon; halves, McClelland, Bavington, Barker, Dowdell, Mitchell; forwards.

Alerts: Goal, Bannister; point, Penny, Anderson; backs, Dunn, Dezell, Oldfield; halves, Secker, H. Smith, G. Smith, Burns, Wilds, forwards.

Referee—H. Fullerton gave the best of satisfaction.

Christmas Shoot.

The second annual sweepstakes shooting match will be held at Charles Nelson Gates' Bayview Hotel, Bathurst and Toronto, on Christmas Day, starting at 12 o'clock. Mr. Gates has 500 pigeons ready for the shoot, which is open to all-comers.

At Salt Lake City, Utah, on Saturday, in the football match the Carlisle Indians defeated the University of Utah eleven by a score of 22 to 0.

Tom Pendergast, who fought Tom Williams at the Acme A.C., Sacramento, Friday, died on Saturday from the effects of the beating received. He was unconscious for several hours. Williams was arrested.

Grandas Manana Cigars grow more popular daily. Their quality is high, their prices low.

ST. LOUIS N.A.A.O. REGATTA DATES TO SUIT CANADIANS

July 29 and 30 or First Week in August, According to Wishes of C.A.A.O.

New York, Dec. 20.—The Executive Committee of the National Association of Amateur Oarsmen unanimously decided last night that the national regatta of 1904 will be held on Creve Coeur Lake, St. Louis, in connection with the World's Fair sports. The conference took place at the Murray Hill Hotel, and those present were: James Ellington, president, and John O'Regan, New York; John J. Schaab, St. Louis, secretary of the Association; Thomas Cappleson, Philadelphia; Walter Brown, Detroit; Charles Nelson Gates, Toronto; Charles Gardiner, Albany; Claude de Lappe, Washington, and C. Ligue de Gozaldon, Montreal, delegates.

The question of the national regatta was the principal subject before the committee, a number of other questions, however, being considered, among which was the proposed formation of a Middle States and Canadian rowing association, which would comprise the clubs of Philadelphia, Pittsburg, Toronto, Montreal, Quebec and Halifax. The object of the association, said every-body present, is to bring the contest of the visiting oarsmen. They will be transported to St. Louis and back for $40 railroad fare, and will be provided with reduced hotel rates as well.

A log penthouse is to be erected on the lake front, where all the oarsmen can store their shells. Creve Coeur Lake is about 30 minutes ride from the Fair grounds. The dates selected are July 29 and 30, but after a consultation with the Canadian association these may be altered to the first week in August—that is, if the Canucas so desire. Either week will be acceptable to the World's Fair people.

Judge Tighe moved that all races be named straightaway, but Mr. Schaab informed the meeting that the course was laid out for races with a turn, and Judge Tighe asked that the resolution be laid on the table until the annual convention of 1904. There were motions to include a centipede race, but they were lost in the discussion. Still, it is at the option of the local association to include these events specially in the program.

The case of the Eureka Boat Club of Newark, which has been the cause of considerable fuss in the association, was brought up. Judge Tighe, who was chairman of the committee to investigate whether or not the club was an active one, made a favorable report. He found that the club had 70 paying members in good standing and 11 boats, and that a boat house. This was accepted as satisfactory, and the club was reinstated to membership in the N. A.A.O.

Resolutions of condolence were passed and copies ordered to be forwarded to the family of C. H. Petersen, New York A. C., and Henry A. Mullin of Newark. Both of these men, they say, were old-time oarsmen, and served as members of the governing body in rowing years ago.

It was James Pilkington's first essay as chairman of the executive committee, and he displayed his efficiency by getting rid of the business in the shortest time on record for this organization.

MORLEY WALTERS REINSTATED.

Annual Meeting Canadian Rugby Union—McMurrich President.

Montreal, Dec. 20.—At the annual meeting of the Canadian Rugby Football Union, which was held here Saturday, the following delegates were present: H. Mosson, president (in the chair); T. F. Clancy, secretary; R. T. Shmington, Rough Riders; Dr. Gifford Jack, Montreal; R. E. Hallgan, Ottawa College; representing the old C. R. F. U.; F. D. Woodworth, secretary of the O.R.F.U.; J. D. McMurrich, vice-president, O.R.F.U., and Mr. Johnston, representing the O.R.F.U.

Secretary Clancy, in his annual report, which has been submitted, said: "The annual report, which your executive presents to you this year, will necessarily be a brief one, brings to a close the twelfth season of the Canadian Rugby Football Union. Altho we have been handicapped to a certain extent by the refusal of the Ontario Rugby Football Union to adopt the rules as laid down at our last annual meeting, yet you executive has every reason to be proud of the football played during the past season under their rules.

"The action of the Ontario Rugby Football Union in providing rules of their own made it impossible to have a championship game between the Ontario and Quebec champions. However, Toronto University challenged the Quebec champions for a final game, but as the intercollegiate is not affiliated with the Canadian Rugby Union, it was beyond our power to authorize a game to be played, or to award the championship."

The financial report showed a good balance on the right side. The Canadian Intercollegiate Union made a formal application for membership in the O.R.F.U.

Objection was taken by the Quebec delegates to a clause in the minutes, which read: "That the executive be empowered to provide for the annual championship under such rule as they see fit to order," and finally the clause was removed.

A motion to reinstate Morley Walters was carried.

Mr. McMurrich presented a motion "That all expulsions by individual unions must be referred to the annual meeting of the C.R.F.U. for revision." This caused considerable discussion. Mr. Sullington moved an amendment, seconded by Dr. Jack: "That the amateur standing of players, as defined by the C.A.A.U., be adopted by the C.R.F.U., and that all the rulings of the said C.A.A.U. be recognized by the C.R.F.U." This was carried.

It was also moved and carried that the annual meeting of the C.R.F.U. be held on the second Saturday in January.

The question of the rules to govern the matches gave rise to a protracted discussion. The motion was defeated on a vote by 4 to 3. It was, however, agreed that, should the Quebec Union at their next meeting decide in favor of the change, it was to be placed on record.

The election of officers resulted as follows: President, J. D. McMurrich, Toronto; vice-president, T. F. Clancy, Ottawa College; secretary-treasurer, Rev. A. F. Barr, Toronto.

DOMINION PIGEON ASSOCIATION.

Officers Elected and Prizes Presented at Annual Meeting.

The annual meeting of the Dominion Messenger Pigeon Association was held at the Gladstone Hotel on Saturday night, with President W. Harris in the chair. The usual routine of business was disposed of, after which the treasurer, A. Magee, read his annual statement of money received and how expended. The statement showed a neat balance to the good to carry on the business of the association in 1904. The annual election of officers resulted as follows:

President, Wm. Gould; vice-president, George Perry; treasurer, William Harris; secretary, Charles F. Kinsey; Racing and Training Committee for 1904, Messrs. Kinsey, Perry and Harris.

The most pleasing event of the meeting was the distribution of prizes to the successful members who had competed in the races during the past season of 1903. The silver medal of the D. M. P. A. for the best average speed thruout all the races in old and young pigeons was awarded to William Harris. The silver challenge cups were distributed as follows:

The A. & J. Magee Bros.' Challenge Cup, to the winner of the 200-mile race, old pigeons, was awarded to George Bailey; the Major-General Cameron Challenge Cup, for the best average speed in the 200-mile, 400-mile and 500-mile races, for old birds, went to George Bailey; the D.M.P.A. Challenge Cup, for young pigeons winning the 100-mile race, was awarded to Jas. Whillan; the S. Alison Challenge Cup, for young pigeons winning the 150-mile race, was awarded to A. & J. Magee Bros. This cup having been won two years by the Magee Bros., becomes their own property, as the donor of it specified two wins on it by the members. The conditions having been fulfilled, it now leaves the association. The J. E. Ellis Challenge Cup for the best average speed in the young pigeons' races of 100 miles, 150 miles and 200 miles, went to George Bailey. The A. & J. Magee Bros.' Challenge Cup, to the winner of the young pigeons' 200-mile race, was awarded to George Bailey.

This closed the list of prizes, and the meeting adjourned until the latter part of January, 1904.

The Canadian Magazine has secured as an historical serial for 1904 A. G. Bradley's story of "The Fight With France for North America." This is said to be the best account yet written of the struggle which began in 1750 and practically ended with Wolfe's victory on the Plains of Abraham. It will run thru the year, and be profusely illustrated. The January Canadian Magazine will be an Imperial number.

GRENADIERS BEAT Q.O.R.

Officers' Indoor Baseball Game Resulted 31 to 26.

The fast fielding of the Grenadiers proved too much for the Queen's Own Rifles on Saturday night. With good chances of scoring in the first, third and eighth innings, the Grens. spoiled the Rifles' opportunities by lightning plays. In the opening innings, Pennit pulled down Porter's long drive, that looked good for three bases, and Mitchell robbed Porter of another triple in the sixth, by a sensational running catch of his hit to the right field territory. Adam and Montgomery also pulled in difficult flies that looked safe. McGaw was like a stone wall at the receiving end of the Grens, batting. Barker, Clarkson, Davison, McGaw, Porter and McGillivray excelled in batting.

A team picked by Major Henderson from the best players of the Officers' League will play an exhibition game with a team of ex-officers, headed by Biddy McGaw, next Saturday evening, in the Armouries. The teams are composed of the crack players of the city. The score:

Victorias of Hamilton.

Hamilton, Dec. 19.—A meeting of the Victoria Curling Club was held last night, and the ten skips chose their rinks. Thomas Clappison, the president, occupied the chair, and said the prospects for a lively season were good.

On Christmas Day a match between the President and Vice-President will take place. The rinks will be as follows:

President—Clappison, Shambrook, Kilvington, Cloke, E. J. Moore.

Vice-President—Cunningham, Hunt, Miller, R. A. Campbell, Turner.

Curling in Mutual Street.

Rather unusual was the result of two games between club rinks on Caledonian ice Saturday afternoon. On the last end Prentice called 2 and Sawer scored 3, making a double tie, the players and figures being as follows:

Harry Ross,	J. K. Munro.
Robt. Rennie,	J. Cherry,
J. Prentice, jr.,	A. B. Nichols.
D. Prentice, sr., sk.13	John Watson, sk..13

Granites Elect Representative.

At a meeting of the Granite Bowling Club, held on Saturday evening, H. R. O'Hara was elected as representative for the Old Country tour next season.

Clever Jack O'Brien.

Chicago, Dec. 19.—The six-round bout between Philadelphia Jack O'Brien and Dixmond Dick of the Stock Yards, before the Kingston Athletic Club of this city, last night, was the limit, the referee declaring Jack O'Brien the winner on points.

The meeting of the men brought about the question of bulk and muscular strength being able to withstand the science of the clever O'Brien.

Diamond Dick had met and beaten men in O'Brien's class, but none so shifty, and he hoped to win on a chance knockout blow, having received instructions from Tommy Ryan, who trained him and acted as his second.

O'Brien made his man look cheap thru the entire six rounds, and landed on him at will, now and then sending in four or five blows in rapid succession, but with lack of force, not wishing to take a chance on injuring his hands.

The men met at catchweights, O'Brien weighing 130 and Diamond Dick 170. The affair was so one-sided that it appeared more like a burlesque than a boxing match.

Around the Ring.

Dave Sullivan is in Boston, and announces that he is ready to take on anybody at 126 pounds. Young Corbett, Terry McGovern and Jimmy Britt preferred.

Abe Attell and Harry Forbes, who were unable to pull off their battle for legitimate featherweight championship in St. Louis, will have it out before one of the Chicago clubs.

At Philadelphia, Terry McGovern won from Billy Willis in their fight Saturday night. The bout went six rounds. It was fast and furious milling, Terry being the aggressor. His punch was missing.

Philadelphia Jack O'Brien and Jack (Twin) Sullivan will meet in a 15-round bout next Tuesday before the Criterion A.C. of Boston. Sullivan expects to give O'Brien a walloping, based on their recent bout in Philadelphia.

George Dixon will shortly return to this country and will try to regain the featherweight championship, which he lost to Terry McGovern. Dixon thinks Young Corbett cannot fight at the featherweight limit, and that he is the legitimate champion.

At Akron, O., Gus Ruhlin won an easy victory Thursday night over Charlie Green, a claimant for championship honors. Green quit in the fourth round after Ruhlin had made a punching bag out of him. The bout was scheduled to go six rounds. In the preliminary, Art Sims put out Frank Chesley in two rounds. The fights were witnessed by about 400 Akron and Cleveland followers of the game.

Owing to the fact that Kid Coffey of New York failed to put in an appearance, Patsy Sweeney of Ireland took his place and met Belfield Walcott, brother of Joe Walcott, at the Lenox A.C., Boston, last Friday night. Walcott was substituted for Jack Stone, who was to have fought Coffey. The battle was for 12 rounds. It went the distance and was so even that Referee Dan Dennis called it a draw.

Young Corbett, the featherweight champion, is doing considerable baseball playing these days while preparing for his coming bout with Eddie Hanlon. Corbett practises two hours each day at the national game, and claims that it has been the means of rounding him up into the good condition in which he is at present. Harry Tuthill, who is training Corbett, says that the kid will be in better condition for this fight than he was the night he fought McGovern.

Basketball.

On Saturday evening, in the Arthur Baldwin Hall, All Saints took in tow the crack S. O. C. team of the Hamilton Y.M.C.A., defeating them in a hotly-contested game by the close score of 13 to 12. Both teams put up a magnificent game. The teams:

Saints (13)—Forwards, E. Taylor, H. Taylor; centre, H. Barclay; defence, R. Stanley, R. Salmon.

Strollers (12)—Forwards, Pyrke, Street; centre, Branston; defence, Hall, Harvey.

MARLBORO-ARGONAUT GAME VERY ROUGH EXHIBITION

Neither Team Scored During First Half—Game Ends in a Tie, 2-2.

The people who wandered to Mutual-street Rink on Saturday night to witness the Marlboro-Argonaut hockey match, witnessed the roughest game ever played in Toronto. In fact, at several stages of the game hockey was dropped and prize fighting, pure and simple, indulged in. The score was a tie, 2—2, and is a fair indication of the play, both teams are responsible for the roughness that prevailed. Humber was the first man ruled off and was followed by Lal Earls. Then Irvie Ardagh and Doc Wright got in a mixup and they both adorned the fence. During the second half, Ardagh had another mixup, this time with Brown, and occupied seats with the timekeepers. Clemes and Brumingam also tried to play the game with their fists and adjourned to the fence, Lal Earls and Rittenstein (twice) were also ruled off during this period.

During the first period of the game no scoring was done, but the play was greatly in favor of the Argonauts. Time after time did they rush down upon the Marlboro's goal, only to have an excellent combination or individual play broken up by the Dukes' defence, or stopped by Eddie Giroux. Giroux played a phenomenal game in goal and made stops that seemed aim-at impossible. The Marlboros seemed afraid to "butt in," but claim they were fagged from playing in Barrie Friday night. Phillips was unable to play on account of a sprained ankle, Bellingham was suffering from an attack of blood poison, and "Toad" Read had his thumb broken at Barrie. He will be out of the game for a month. This greatly handicapped the Marlboros. The Argonaut team had not practiced together much this season and lacked the combination they are capable of playing. The Marlboros started the second period with a spurt and made several attacks on the Argos' goal, but the husky defence repulsed them. Clemes scored the first game for the Argonauts by a brilliant rush. McLaren soon tied the score by scoring for the Marlboros. Chadwick again scored for the Argonauts and just two minutes before time was up Wright scored for the Marlboros, making the final score 2—2.

W. A. Hewitt made an impartial referee, altho he was kept busy ruling men off. The teams:

Marlboros (2): Goal, Giroux; point, Brown; cover, Lal Earls; centre, Birmingham; rover, J. Earls; wings, McLaren and Wright.

Argonauts (2): Goal, H. Ardagh; point, Rittenstein; cover, Humber; centre, Chadwick; rover, Irving Ardagh; wings, Clemes and Bloomfield.

Referee—W. A. Hewitt. Timekeepers—G. Webster and F. C. Waghorne. Attendance—800.

O.H.A. Intelligence.

The schedules of championship games in the senior, intermediate and junior series of the Ontario Hockey Association were completed on Saturday, with the exception of intermediate No. 9. Each group arranged its own games on the order from the Executive Committee that a winner must be provided by the 30th of January.

There are 75 clubs, with 92 teams, in the association, divided as follows: Senior, 11; intermediate, 53; junior, 8. As each team has an average of 15 candidates for positions on the seven, the number of young hockeyists in active training for Canada's great sport might be roughly estimated at about 1400 players. The clubs are representative of the territory extending from Cornwall on the east to Sault Ste. Marie on the west.

The O. H. A. secretary received an enquiry Saturday from James E. Monkman of St. Paul, Minn., in regard to the amateur status of Houghton, Mich., and American Soo Hockey Clubs.

Mr. Monkman was informed that both teams were professional organizations and under the ban of the O. H. A.

Manager Parker of the Cayuga team has written to the O. H. A., asking permission to play some of the players of the Wellinger Leather Goods factory team. The factory opened on Dec. 1, and have organized a hockey team, from which Mr. Parker thinks he can get some good players.

A meeting of the Executive will be held on Monday evening for the purpose of revising the schedule and transacting general business. Group 8 is composed of Port Arthur, Fort William, Rat Portage, Sault Ste. Marie, Sudbury and Sturgeon Falls. D. L. MacLeod of North
