The Preference Stock is preferred as to Assets and Dividends, and will share equally with the Common in any dividend in excess of 7 per cent, if the Common Dividend is 7 per cent, and 7 per cent equal to 14 per cent.

THE SIEMON COMPANY, LIMITED, has agreed to take over as going concerns the business of three well-known, successful lumber manufacturers, and to acquire very valuable timber limits.

1. The Lillierap-Tate Lumber Co. Mills at Lakefield. 2. George E. Niebergall Mills at Warton.

3. George Niebergall & Son Mill and Veneer Plant at Parry Sound. An option has also been taken on the timber limits in connection with the plant limits in the District of Parry Sound, near the Town of Parry Sound, and convenient to the plant limits.

The timber limit known as No. 48, in the Province of British Columbia, having an area of 5,233 acres and estimated to contain 197,500,000 feet of good merchantable timber.

A block of 100,000 preference shares of Siemon Bros. Limited, Manufacturers of Hardwood Flooring at Warton, Ontario, has been placed in the hands of the Company in full payment of the purchase price of the same.

The earnings are large, and with the improvements projected will be sufficient to reach a sum sufficient to pay over 15 per cent on the entire paid-up capital of the Company.

The net earnings at present on these businesses would be sufficient to pay 7 per cent on the entire paid-up capital of the Company.

There will be no bonded indebtedness whatever. A conservative valuation of the timber to be cut on the limits in excess of \$1,000,000, and the purchase price of the same, covers the entire capital stock of the Company.

Controlting the timber limits, which assure a supply of material for years to come, and the fact that the Company is in a position to sell its products at satisfactory prices, this Company offers investors quite exceptional opportunities for investment with the prospect of constantly increasing dividends.

Applications will be received for one or more shares, and may be made on regular forms, or when these are not available, shares may be reserved by letter or wire.

Dividends will be payable on Preferred Stock half-yearly, on the 1st of June and 1st of December of each year.

Subscriptions will be received by The National Securities Corporation, Limited, The Empire Securities, Limited, Confederation Life Building, Toronto, Canada, 28 Toronto St., Toronto, Canada.

FARMERS AND LABOR MEN AGAINST "IN POT" NAVY

Mass Meeting in Zion Church Declares Against Creation of Sea Armaments.

A mass meeting was held yesterday afternoon in Zion Church to protest against the formation of a Canadian navy. The gathering, which was presided over by Gordon Waldron, included many of the members of the labor associations.

Dr. Eby said he was not in favor of Canada having a navy. It would be of no use as far as protecting the nation from invasion and would only be a drag on the finances of the country.

At the close of the meeting another resolution was passed. It was moved by Professor Hurie and seconded by Greenleaf Brown. It is as follows: "Resolved that this meeting strongly urge upon the people in all other parts of Great Britain and the Empire, in Canada, by personal letters to members of parliament, by letters to Sir Wilfrid Laurier, by petitions and by resolutions adopted in public meetings, to ask that the country be not committed to the building of a navy until after the electors have had an opportunity of pronouncing in referendum on the proposal about to be laid before parliament."
