MET MOOSE IN YARD.

Mr. A. Metcalf, an employe of the city electric light station, had a rather thrilling experience early Friday morning with a bull and cow moose. Mr. Metcalf, who works at night, had arrived at his home on Cornhill street, and was somewhat surprised to see two large moose and calf in his back yard. On seeing Mr. Metcalf the moose showed fight and no doubt it would have been serious for Mr. Metcalf had he not kept them at bay with his umbrella until he reached the veranda, and eventually escaped into the house.

Mr. Metcalf says the animals did not linger long after he disappeared but took their departure for the woods. (Moncton Times.)
