ENO'S FRUIT SALT

The day will end for you as fresh as it begins—if you take Eno's each morning.

WHAT DYSPEPTICS SHOULD EAT

A PHYSICIAN'S ADVICE. "Indigestion and practically all forms of stomach trouble are nine times out of ten, due to acidity; therefore stomach sufferers should, whenever possible, avoid eating food that is acid in its nature, or which by chemical action in the stomach develops acidity. Unfortunately, such a rule eliminates most foods which are pleasant to the taste as well as those which are rich in blood, flesh and nerve tissue. This is the reason why dyspeptics and stomach sufferers are usually so thin, emaciated and lacking in that vital energy which can only come from a well fed body. For the benefit of those sufferers who have been obliged to exclude from their diet all starchy, sweet or fatty food, and are trying to keep up a miserable existence on gluten products, I would suggest that you should try a meal of any food or foods which you may like, in moderate amount, taking immediately afterwards a teaspoonful of bisulphated magnesia in a little hot or cold water. This will neutralize any acid which may be present, or which may be formed, and instead of the usual feeling of uneasiness and fullness, you will find that your food agrees with you perfectly. Bisulphated magnesia is doubtless the best food corrective and agent known. It has no direct action on the stomach; but by neutralizing the acidity of the food contents, and thus removing the source of the acid irritation, it does more than could possibly be done by any drug or medicine. As a consequence, whenever necessary, but I must admit that I cannot see the sense of doing an inflamed and irritated stomach with drugs instead of getting rid of the acid—the cause of all the trouble. Get a little bisulphated magnesia from your druggist, eat what you want at your next meal, take some of the bisulphated magnesia as directed above, and see if I'm not right."

TWO LONG YEARS HE SUFFERED

"Fruit-a-lives" Made Him Feel As If Walking On Air

Ottawa, Ont., Nov. 28th, 1916

"For over two years I was troubled with Constipation, Drowsiness, Lack of Appetite and Headache. One day I saw your sign which read 'Fruit-a-lives make you feel like walking on air.' This appealed to me, so I decided to try a box. In a very short time I began to feel better, and now I feel fine. I have a good appetite, relish everything I eat, and the Headaches are gone entirely. I recommend this pleasant fruit medicine to all my friends." DAN McLEAN. 800 a box, 6 for \$2.50, trial size, 50c at all dealers of Postpaid by Fruit-a-lives Limited, Ottawa.
