DENTS'

e to report—  
 Mr. R. L. M.  
 meeting, how-

ever, in May last, applications for aid were received from Mr. R. W. Garrett and C. V. F. Bliss, and the former received a grant of \$100 and the latter \$150 per annum for three years, from the date of their Matriculation at some Church University in this Dominion; and a fourth grant will probably be made at the next meeting of the Committee, so that one or two additional grants will exhaust the resources of the Fund, the annual income from all sources being little over \$600.

Mr. C. R. Lee having relinquished the idea of presenting himself for Ordination, has refunded the sum of \$200, being the amount granted him while at Trinity College; and the Rev. H. Bevis has also refunded the sum of \$30, he having left the Diocese shortly after his Ordination.

The investments for this Fund amount to but \$3,323.34, yielding an average interest of \$200 per annum.

The annual collections average say \$400.

In concluding their Report, the Committee would earnestly urge upon the Church in this Diocese the great necessity for increased liberality in the contributions to this Fund.

All which is respectfully submitted.

E. H. M. BAKER,  
 Chairman.

### REPORT OF AMELIASBURGH ENDOWMENT FUND.

To the Synod of the Diocese of Ontario—

We, the Trustees of the Ameliasburgh Endowment Fund, beg leave to report that we have submitted the question of the loss of capital sustained by the said Fund, before the transfer thereof from the Diocese of Toronto to the Diocese of Ontario, to the Hon. Lewis Wallbridge, and have obtained his opinion thereupon, which opinion is that the Diocese of Toronto is responsible for said loss.

We also beg leave to report that the capital of the said Fund is now \$4,000, and that, under the present management, said capital will produce an annual salary of \$250, payable quarterly to the Incumbent.

 REUBEN YOUNG,  
 JAMES PECK.
