CASE OVER EGGS HAS WARNING FOR DEALERS

Federal Regulations Regarding Display Are Subject of Prosecution

Police Court proceedings this morning contained a warning to those dealing in eggs, when R. E. Morrell pleaded guilty to a violation of federal regulations regarding the display and sale of eggs and was fined \$20, which was allowed to stand. He was charged with displaying eggs for sale on April 7 without having the container marked or labeled with the name of the class and grade of eggs according to Canadian standards. He said the infraction was unintentional, and he had no desire to break the law. He had not mis-represented the eggs, and when they had been removed from the crate to the display basket the card indicating their grade had become mislaid.

William A. Ross, for the government, said this was the first case prosecuted in Saint John. There were some consistent violators, and prosecutions were being brought in order to make the dealers comply with the law. When not marked, purchasers could not tell the grade of eggs they were buying.

The magistrate said that a fine up to \$500 or three months' imprisonment, or both, could be imposed. He would fine the accused \$20 and let it stand, but now that the matter was brought to the attention of the public the next violator brought before him would be dealt with more severely. The prosecution was brought at the instance of Ernest M. MacKinnon, egg inspector for the federal department of agriculture.

TARIFF FEES FOR COMPANIES SET BY ORDER-IN-COUNCIL

Schedule Applies to Extra-Provincial, Dominion and Domestic Corps.

FREDERICTON, May 31—A new tax upon all companies incorporated in New Brunswick and doing business in the province is announced in a Royal Gazette extra. The new impost, which may yield, according to unofficial estimates, as much as \$50,000 additional revenue for the province annually, is brought into effect by an order-in-council. Under a provision of the New Brunswick Companies Act and amendments all companies are compelled to file a return showing officers, authorized subscribed capital, location of head office, etc., and accompanying the return there shall be fees running from \$5 to \$250, according to the authorized capital.

The schedule applies to extra-provincial, Dominion and domestic corporations, and is as follows: Companies with an authorized capital not exceeding \$25,000, \$5; Companies with an authorized capital exceeding \$25,000, but not exceeding \$50,000, \$10; Companies with an authorized capital exceeding \$50,000, but not exceeding \$100,000, \$20; Companies with an authorized capital exceeding \$100,000, but not exceeding \$250,000, \$40; Companies with an authorized capital exceeding \$250,000, 20 cents for every \$1,000 of capital with a maximum fee of \$250.

For filing return from a company having shares without nominal or par value, the fee payable shall be calculated upon the assets of such company employed as capital which shall be shown in such return. For filing return from a company incorporated for mutual insurance purposes, \$5.

EXCEPTIONS PROVIDED.
Provided, however, that with respect to a Dominion corporation or to a foreign corporation having a nominal capital exceeding \$500,000 and carrying on business in New Brunswick heretofore, and carrying on also an established business outside of New Brunswick in which at least 50 per cent. of its subscribed capital is invested, the governor-in-council may reduce the annual registration fee payable under this section to such sum as he may think just, having regard to the nature and importance of its business in New Brunswick and the amount of capital used therein; provided also that with respect to such corporation not carrying on business in New Brunswick heretofore when making return under this act the governor-in-council may reduce the annual return fee to such sum as he may think just, having regard to the nature and importance of the business proposed to be carried on in New Brunswick and the amount of capital proposed to be used therein. A

corporation seeking a reduction of the fee under this section shall give to the provincial secretary-treasurer such statement and information respecting its business and financial position as he may call for and shall verify the same in such manner as he may require.

Returns are required to be made and fees paid on or before the first day of June in each and every year without notice or demand to that effect.

VETERAN DRIVER QUITS C. N. SERVICE

Samuel W. Carson Retires After 44 Years Service—Worth Recognized

MONCTON, June 1—One of the veteran C. N. R. locomotive engineers Samuel Wesley Carson, retired from the service yesterday under the provisions of the Provident Fund Act, after nearly 44 years in the railway employ. He made his last run yesterday on the Ocean Limited, from Campbellton to Moncton, and pulled into his home terminal sharp on time.

Engineer Carson was one of the most efficient trainmen on the C. N. R. Speaking of his retirement, General Manager Walter U. Appleton said last evening: "Engineer Carson is one of the best drivers we ever had and I am sorry to see him retire. I do not know of any engineer who can take the Ocean Limited out of Moncton and bring it into Campbellton maintaining so even a rate of speed and on schedule time."

WESTLEA DAMAGED, ANOTHER TENNIS COURT FOR MCADAM
LIKELY TO DRY DOCK

ST. JOHN'S N.B., May 31—The British freighter Westlea, from Montreal for a European port, which was forced to put back to St. John's after a collision with an iceberg off Newfoundland, will probably be the first non-Newfoundland craft to enter the new drydock here. The steamer has been lying at the dock with her pumps going since making port last week. Her bow plates below the water line are believed badly damaged and her forepeak flooded.
