**A WINTER HOLIDAY.**  
A winter holiday in summer sunshine is provided by the Canadian Pacific Railway in the railings of the S. S. Sicilian to Havana and return. This makes an ideal short holiday trip for those who cannot spare the time in summer, twenty days being required for the trip, the itinerary allowing five full days in Havana, the fascinating capital of Cuba, with its glorious winter climate and historic associations; its palaces, parks and gardens, and all that helps to add joy to life and rob it of care. The steamer calls at Boston on second day out, and on the return touches and leaves Boston on the nineteenth day. The fares St. John to Havana and return \$180 and Boston to Havana and return \$180. Accommodation is provided on board during the stay in Havana. No passports are necessary. Anyone contemplating this very delightful tropical trip should communicate with N. R. Donohue, district passenger agent, Canadian Pacific Railway, St. John (N. B.), who will advise dates of sailings and any additional information that may be desired.

(New York Times)  
John A. Heydler, President of the National League, said yesterday that so many and such vigorous complaints had been received from responsible sources concerning alleged tampering with ball players that the Advisory Council would undoubtedly enact and put into effect a stringent rule regarding the matter in the near future. Dr. Stratton Declares 50,000 Children in New York Don't Attend Sunday School.

Boston, Jan. 12.—Motion pictures and theatres are destroying the Sabbath, the Rev. John R. Stratton, D. D., of Calvary Baptist church, New York, said in an

He blamed the development of the movies for the fact that, as he said, half a million boys and girls from New York Protestants homes do not go to Sunday school. He said it would be a supreme miracle if society could raise a sturdy race on the diet it was giving the children today—movies, cigarettes, dances, chewing gum, etc.
