THE GERALDINES

(Montreal Gazette.) In the family of the "noble Geraldines," whose representative is the Duke of Leinster, there is a store of romance. Very interesting is the story of the origin of their crest, a chained monkey. An ancestor, while an infant, was in his father's castle when a fire occurred, and in the confusion was forgotten. On the servants returning for him, the room in which he lay was in ruins. A sound was heard in one of the towers, and looking up a pet ape, tightly holding the iron, was seen carefully holding the infant.
