

# TO CAPITALIZE PACKING PLANT AT \$500,000

Expect Letters Patent to be  
Issued on Monday at  
Fredericton

WOULD BE BENEFIT  
TO THE PROVINCE

Mayor Potts Hopes to See  
Flour Mill Here  
Follow.

Application to the New Brunswick  
Government for letters patent incor-  
porating the British and Canadian  
Packing Corporation of Saint John with  
authorized capitalization of \$500,000  
was officially announced last night by  
P. M. Starie and W. I. Fenton, pro-

visional directors of the company. It  
is expected that the letters asked will  
be granted on Monday.  
The backers of the project for an  
abattoir and pork packing plant here  
will meet the government on Wednes-  
day to discuss the request made for a  
guarantee of a portion of the construc-  
tion bonds. At the same hearing the  
opposition to the project, if there is  
any, will be heard, and some definite  
word of the government's intentions is  
expected shortly.

## HOPE IT WILL BRING MORE

Both British and Canadian capital  
would be invested in the enterprise.  
Owing to the fact that most British in-  
terests are directed towards the West  
of Canada, this proposed investment  
here is of particular interest to the  
Maritime Provinces. It is hoped that  
it will result in the focussing by those  
who support the venture of more at-  
tention to the Maritimes and will en-  
courage the bringing of more British  
money here.

Saint John city and county officials,  
the New Brunswick Government and  
the Saint John Board of Trade have all  
expressed their interest in the project  
for a pork packing plant here. Mr.  
Starie said last night, and had assured  
him of their sympathy with his aims.  
He had been assured of backing by  
many of the leading agriculturists  
of the province, and he hoped that a

large number would be present at the  
hearing before the Government on  
Wednesday.

## Hopes For Flour Mill

Mayor F. L. Potts said last night  
that the abattoir here would be a great  
help to the farmers and the citizens,  
and he hoped that the establishment  
of this concern would lead to the erec-  
tion here of a flour mill.

The farmers of the province were  
paying hundreds of thousands of dol-  
lars for by-products of flour mills to  
feed their swine and cattle. The pork-  
packing plant would create a demand  
for pork and that would mean a  
greater demand for feed, which could  
be advantageously supplied by a flour  
mill established here.

John E. McAuley, of Lower Mil-  
stream, is strongly in favor of the  
project as one means of helping the  
farmers and tending towards retaining  
the young people in the province. He  
thought the plant here would greatly  
stimulate the hog-raising industry in  
New Brunswick.

## Helpful Suggestion

"I'm in a quandry," she said to the  
milliner. "I don't know what to do  
about a hat. I'm of two minds about  
it."  
"When take two hats," suggested the  
milliner, "and please both minds."

## TERROR REIGN IS ON

Melbourne Organizes Squad of  
100 Police to Check Crimi-  
nal Gangs.

SYDNEY, N. S. W., April 10.—It is an-  
nounced by the Melbourne Commission  
of Police that a squad of one hundred  
specially selected police is being organ-  
ized for the purpose of ending Mel-  
bourne's "reign of terror." This action  
follows complaints made by a deputa-  
tion of traders from Prahran (a suburb of  
Melbourne), to the Chief Secretary to  
the effect that criminal gangs were ter-  
rifying shopkeepers in the main streets.  
It was alleged that the gangs openly  
defied the police and robbed business  
places and residences nightly. The vic-  
tims were often too afraid to report  
their losses, fearing the vengeance of  
the gangs.

Because It Is  
The Better Spark Plug

In every country in the world, more dependable  
Champion spark plugs are bought than all  
other makes combined.

The reason is simple. Motorists everywhere  
know that Champion is the better spark plug;  
that it saves oil and gas and gives greater  
power, speed and acceleration.

These things are possible because of its un-  
breakable double-ribbed sillimanite core, its  
special alloy electrodes and its two-piece con-  
struction, absolutely gas-tight and allowing the  
plug to be taken apart for cleaning.

Your own car deserves a complete new set of  
Champions. They will soon pay for themselves  
in the oil and gas saved.

Champion X for Fords is 80 cents. Blue Box  
for all other cars, 90 cents. More than 8,000  
Canadian dealers sell Champions. You will  
know the genuine by the double-ribbed core.
