Oh, what a strife was there ! What a shouting ! what a threatening cry ! What a marmar upon the air !

Their garments over the glowing wheels Streamed backward rod and far, They floated their pale banners

In the fice of each pale star.

Under their treat the autumn flowers By nullions witheninglay : Por things that from these gol len whouls "Could nowhere shrink away lo

Close, and crashing together, The envious chariots rolled ; While anon, before his fellowed

Loaped out some hunter bold.

"Their black har, thick and lowering. " Above their wild eyes hung, And about their frowning foreheads

shind like wreathes of night-shade clung. - Hillie bisons, lo, the bisons ! They cried and answered back,

. The frightened creatures stood aghast

> BY METTA VICTORIA FULLER. CHAPTER HI. (Continued.)

September, October, and November drifted

To see them on their track. Witha weary, himbering swiftness They seek the river's side,

Driven by those hunters from their sleep. Into its chilling tide.

Some face the foe, with anguish Dilating their mute eyes, Till the spears of silver strike them low, A And dord each suppliant lies.

Now, by the brightening river, The red hunters stand at bay-Vain their appailing splendor

I had been tensing monter to schamme been to schamme been to be an intervention of the winter, until I headed of a work to be more be two fings and approaches the branching fings and the

such a passion for an equilitie on a ways shoulder, said Mr. Fielding recovering his equanimity. The plater of and officer sinsig-nin will make any must irresistible.

nin will make any man irresisticle; and soldiers Because we like our op osizes, and soldiers are supposed to be as brace as we are weak. We like to be defended, and Miss Blacord. I do not like officers half as well as different and Paris first going to see it out, if they donce every may off their backs !
