

Representative and Champion of American
Art Taste.

THE ALDINE.

THE ART JOURNAL OF AMERICA.
ISSUED MONTHLY.

A MAGNIFICENT CONCEPTION. WONDER-
FULLY CARRIED OUT.

The necessity of a popular medium for the representation of the productions of our great artists, has always been recognized, and many attempts have been made to meet the want. The successive failures, which so invariably attended each attempt in this country to establish an art journal, did not prove the indifference of the people of America to the claims of high art. So soon as a proper appreciation of the want and an ability to meet it were shown, the public at once rallied with enthusiasm to its support, and the result was a great artistic and commercial triumph—THE ALDINE.

THE ALDINE, while issued with all the regularity, has none of the temporary or flimsy interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, good, and graceful literature, and a collection of fine pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it is bound up at the end of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition in price or character. The possessor of a complete volume can not dispute the quantity of fine pictures and engravings in any other shape or number of volumes for ten times its cost; and then, there is the charm, besides!

The national feature of THE ALDINE is its republicanism. While THE ALDINE is a strictly American institution, it does not confine itself entirely to the reproduction of native art. It is anxious to cultivate a broad and appreciative art taste, one that will discriminate only on ground of intrinsic merit. Thus, while placing before the patrons of THE ALDINE as leading characteristics, the productions of the most noted American artists, attention will always be given to specimens from foreign masters.

The artistic illustration of American scenery, or original with THE ALDINE, is an important feature, and its magnificent plates and of a size more appropriate to the satisfactory treatment of details than can be afforded by any inferior paper. The judicious interposition of landscape, marine, figure, and animal subjects, sustain an unabated interest, impose the where the scope of the work confines the artist too closely to a single style of subject. The literature of THE ALDINE is a light and graceful accompaniment, worthy of the artistic nature, with only such technical discussions as do not interfere with the popular interest of the work.

A CARD.

To all who are suffering from the errors and

indiscretions of youth, nervous weakness, early

decay, loss of manhood, etc. I will send a receipt

that will cure you, FREE OF CHARGE. This

great remedy was discovered by a missionary in

Dr. J. Walker's California Vinegar

Bitters are a purely Vegetable preparation,

made chiefly from the native herbs found

on the lower ranges of the Sierra Nevada

mountains of California, the medicinal

properties of which are extracted therefrom

without the use of Alcohol. The question

is almost daily asked, "What is the cause

of the unparalleled success of Walker's Bitters?"

Our answer is, that they remove

the cause of disease, and the patient recovers

his health. They are the great blood

purifier and life-giving principle, a perfect

Renovator and Invigorator of the system.

Never before in the history of the world has

a medicine been compounded possessing

the remarkable qualities of Walker's Bitters

in healing the sick of every disease man is

heir to. They are a gentle Purgative as

well as a Tonic, relieving Congestion or In-

flammation of the Liver and Visceral Organs,

in Bilious Diseases.

If men will enjoy good health, let

them use WALKER'S BITTERS as a medicine,

and avoid the use of alcoholic stimulants

in every form.

H. H. McDONALD & CO.,

Druggists and General Agents, San Francisco, California,

and cor. Washington and Clinton Sts., New York.

Sold by all Druggists and Dealers.

No Person can take these Bitters

according to directions, and retain long

unwell, provided their bowels are not dis-

turbed by mineral poison or other means,

and vital organs wasted beyond repair.

Grateful Thousands proclaim WALKER'S

Bitters the most wonderful invigorant that

ever existed for the sinking system.

Bilious, Remittent, and Intermit-

tent Fevers, which are so prevalent in the

valleys of our great rivers throughout the

United States, especially those of the Mis-

issippi, Ohio, Missouri, Illinois, Tennessee,

Arkansas, Louisiana, Texas, Colorado, Bra-

vo, Rio Grande, Pearl, Alabama, Mobile,

Savannah, Roanoke, James, and many others,

with their vast tributaries, throughout our

entire country during the Summer and Au-

umn, and remarkably so during seasons of

unusually hot and dry weather, are invariably

accompanied by extensive derangements of

the stomach and liver, and other abdominal

viscera. In their treatment, a purgative,

exerting a powerful influence upon these

viscera, is essentially necessary.

There is no cathartic for the purpose equal

to Dr. J. WALKER'S VINEGAR BITTERS, as

they will speedily remove the dark-colored

viscid matter with which the bowels are

loaded, at the same time stimulating the

secretions of the liver, and generally restor-

ing the healthy functions of the digestive

organs.

Dyspepsia or Indigestion, Headache,

Pain in the Shoulders, Gout, Tightness

of the Chest, Dizziness, Sour Eructations of

the Stomach, Bad Taste in the Mouth, Bil-

ious Attacks, Palpitation of the Heart, Inflam-

mation of the Lungs, Pain in the region of

the Kidneys, and a hundred other painful

symptoms, are the offspring of Dyspepsia.

Our Bitters will prove a better guarantee of

its merits than a lengthy advertisement.

Scrofula, or King's Evil, White Swell-

ings, Ulcers, Erysipelas, Swelled Neck,

Gout, Scrofulous Inflammations, Indolent

Inflammations, Merciful Affections, Old

Gout, Eruptions of the Skin, Sore Eyes,

etc., etc. In these, as in all other constitu-

tional diseases, WALKER'S VINEGAR BITTERS

have shown their great curative powers in

the most obstinate and intractable cases.
