FATHER INJURED; DAUGHTER KILLED

Fatal Results of an Accident to an Automobile Belonging to Charles M. Schwab

CINCINNATI, Sept. 20.—In the wreck of Charles M. Schwab's automobile at St. Martin De Croix, France, J. G. Schmidlapp, president of the United Savings and Trust Co. in this city, was injured and his daughter, Charlotte, killed. The news came in a cable despatch today.

Mr. Schmidlapp, who is widely known in financial circles throughout the country, was touring France with his daughter and Mr. and Mrs. Lee Ault, in an automobile belonging to Mr. Schwab.

Seven years ago Mr. Schmidlapp's wife and daughter were killed in a railway wreck in this country. A meeting of the executive of the St. John County Temperance Federation was held in Union Hall last evening. The meeting was called especially to consider the entertainment of E. T. Tynyon Smith, an English temperance lecturer, who is expected to lecture in St. John, Fredericton and Moncton. It is expected that he will give a course of lectures in each place extending over a period of ten days. It was decided to definitely settle the question at a meeting of the County Federation to be held next Wednesday in the Temperance Hall, Charlotte street. After this disposal of this matter the executive took up the consideration of the Prince Edward Island Railway.

NEWS OF SPORT

THE RING

YOUNG CORBETT AND TERRY

Young Corbett and Terry McGovern have been matched for a six-round fight, to take place before the National Athletic Club, of Philadelphia, on Oct. 5th. After considerable correspondence the match was consummated. Young Corbett acted for McGovern and Terry McGovern acted for Young Corbett. It is understood that old rivals will fight for a percentage of the gross receipts. They will start at once to get into condition for the battle. Terry doing his work at the old quarters at Johnson's road house on Jerome avenue, New York. Corbett will probably prepare himself somewhere near Coney Island. Manager Humphries tried to match Terry with Abe Attell and Tommy Murphy. The former wanted too big a guarantee, and the latter remained unwilling. Terry and Young Corbett should put up a fight worth seeing. Both are of the aggressive type and the kind that never show the white feather.

FOOTBALL

FIRST GAME TODAY.

The football season opens today with a game between the Beavers and the Marathons. The game promises to be a grand contest, for the Marathons are as last season—red, white, and blue—the strongest rivals of the present upholders, and today's contest will show how dangerous they are. Both teams have been hard at work for the past two weeks.

The Beavers have the advantage of many of their players having played together all last season, but will feel the loss of John Malcolm and MacMichael, who will be unable to be present.

The Marathons have several new players on their lineup, and will probably be weak in the back line, but expect to put up a very strong scrimmage.

The rivalry between the two teams is quite strong, so that probably one of the best games of the season will be played, and the outcome will mean a great deal to the winning team.

The Beavers will appear in the same uniforms as last season—red, white, and blue—with a green sash; the Marathons wearing a maroon sweater with a large "M" in grey across the breast. The stockings will be grey with a red band.

The mayor will formally open the league at 4.45 and Rev. Mr. McLean will probably referee.

The probable line-up of the teams will be as follows:

Marathons. Full. Beavers. Gibeau. Kenney. Halves. Everett. Sandall. McKenney. Ellis. Stockton. Howard. Wilson. McKay. Patterson. Quarterbacks. Linton. Birmingham. Bonnell. Harrison. Desbarres. Substitutes. Agat. Tins. Coates. McKelvey. Brown. Fariss. Blizard. Junior Football Challenged.

The undersigned members of the Beaver Athletic Club, do hereby challenge any football team in the province of New Brunswick whose members are under the age of 21 years, to a game on the 25th inst. at 4.45 p.m. at the following places: St. John, Moncton, Miramichi, and St. Andrews. The challenge is made by: Larry McLaren, P. Patterson, A. Scott, Max Shaw, A. Hankins, H. Marshall, H. Scott, Thos. Daley.

Two years later she crossed the Atlantic to sing at Covent Garden, beginning a career at London's principal opera house which lasted for twenty years. During those years she was paid in annual earnings as stated to have ranged between \$100,000 and \$170,000. Tours of North and South America and Argentina have brought her even greater monetary rewards, and it is in no way oversteating the facts when it is said that during the four and a half decades which she has been singing to the world, her voice has earned her \$1,750,000.

For many single engagements in London she has received \$4,000, while it is on record that in New York, when playing in opera, she once received a sum of \$5,000 for each presentation, paid in her dressing room before she went on the stage.

THE TURK

SWEET MARIE LOWERS RECORD.

COLUMBUS, O., Sept. 21.—Sweet Marie in front of the largest crowd ever gathered at the Columbus track today was successful in not only lowering her own record of 2:08, but in establishing a new trotting mark for the course. Her mile in 2:02 is a quarter of a second better than the time Crescius made here in 1901, when he became a champion trotter of the world.

Sweet Marie was accompanied by a runner, but there was no wind shield to help her. The above record is the fastest of all three year old trotting stallions when they easily, in 2:04, won the deciding heat of the Kentucky stock farm futurity purse. His share was \$4,000. He is a full brother of The Abbot and is owned in Egypt Aurora, N. Y.

LILLIE R. became a 2:08 class trotter when she won the first heat of the afternoon, the one that decided the 2:15 trot. She was the favorite in betting today.

Captain Derby, a well backed second in the Hotel Hartman consolation race, won the event in straight heats and took a record of 2:08 in the middle mile. Ridel L. took first money in the 2:15 trot. Budd was played in win and was three times second in the fastest going mile of the meeting was shown in the first heat of the free-for-all, when Estelle won in 2:12 by a length from Grit, the favorite.
