TREASY PLEASAS CANADIAN CLUB

BOSTON, Mass., Jan. 14.—At the annual meeting and banquet of the Canadian Club of Boston held tonight, a unanimous motion was carried to convey to Secretary of State Root, the appreciation of the members of the club for the execution of a new treaty just consummated between this country and Great Britain providing for the arbitration of water boundaries and other questions arising between the United States and Canada. The motion also expressed the wish that another treaty would be forthcoming providing for the settlement of the questions relating to the Atlantic fisheries, between the same countries and Newfoundland. British Ambassador James Bryce was elected an honorary member of the club. The new officers of the club elected are as follows: President, Col. Alexander P. Graham; Vice-presidents, Dr. W. E. KIDNEY DISEASE COMES ON QUIETLY.

Perhaps no other organs work harder than the kidneys to preserve the general health of the body and most people are troubled with some kind of Kidney Complaint, but do not suspect it. It may have been in the system for some time. There may have been backaches, swelling of the feet and ankles, disturbances of the urinary organs, such as brick dust deposit in the urine, highly colored, scanty or cloudy urine, bladder pains, frequent or suppressed urination, burning sensation when urinating, etc. Do not neglect any of these symptoms, for, if neglected they will eventually lead to Bright's Disease, Dropsy and Diabetes. On the first sign of anything wrong Doan's Kidney Pills should be taken. They go to the seat of trouble, strengthen the kidneys and help them to filter the blood properly and flush off all the impurities which cause kidney trouble. Miss Althea B. Clarke, Stony Creek, Ont., writes: "I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them." Price 50 cts. per box, or 3 for \$1.25, all dealers or The T. Milburn Co., Limited, Toronto, Ont. Write ordering specify "Doan's"

CLOCK SHALL NOT STRIKE AT NIGHT

Hotelkeeper Wins Suit Brought to Silence It—Disturbed the Guests' Sleep.

BERLIN, Jan. 14.—The supreme court at Leipzig has given a decision in favor of an appellant who sued to have a public clock silenced in the night time. The litigant is a hotelkeeper at Eisenach. He brought action against the authorities of the cathedral there, claiming that the noise of the chiming clock in the belfry disturbed his guests' nightly sleep and damaged his business. Two courts rejected his plea, but their decisions are now reversed by the highest court of the empire, which ruled that the clock must cease striking at 10 p. m. The decision is likely to be made a precedent by the German Anti-Noise Society to procure similar silence in many places.

PRIVATE MOIR AN EPILEPTIC

LONDON, Ont., Jan. 14.—Trial of Private William Moir, a on a charge of murdering Sergt. Lloyd, came to a speedy close at noon today, the jury being out about fifteen minutes, bringing in a verdict of not guilty on the ground of insanity. Dr. W. J. Robinson, of the London asylum, for the defense, said from the evidence given he had no doubt that the prisoner was an epileptic subject. "You could have reached no other verdict on the evidence," said Sir Wm. Meredith. "Under the verdict the prisoner will be kept in close confinement until the pleasure of the crown is known, which means practically he will be confined in an asylum for life. "This trial shows that the public are in danger from epileptics such as the unfortunate prisoner. Such people may go around without having knowledge of their condition and their homicidal mania may develop at any time. "Those in charge of the affairs should see that epileptics such as the prisoner should be subject to imprisonment for life or until such time as medical science will have discovered a remedy, which has not yet been found." Moir was taken from the court room in perfect silence and the crowd quickly dispersed to their homes.

GUELPH, Ont., Jan. 14.—The last coach on the G. T. R. train forty-four going south at 11 o'clock this morning, jumped the track near Guelph, and ran into a bank and twenty-five passengers were injured. The coach turned over on its side and was dragged for fully one hundred yards before the train came to a stop. The train crew and passengers in the other coaches which left the track made quick work of rescuing the people in the overturned coach. R. H. Among the passengers on board were a party of curiers from this city, and members of the branch hockey club. MANY HONORS PAID TO PREMIER'S DOUBLE

New Zealand Man is Mistaken in Melbourne for Prime Minister of Victoria.

MELBOURNE, Jan. 14.—A New Zealand gentleman, who happens to bear a close resemblance to Sir Thomas Bent, the premier of Victoria, had some amusing experiences while in Melbourne. This gentleman is Edmund Wickes, of Grey-mouth. The story tells was related to a Christchurch Press reporter on his return to New Zealand. On landing in Melbourne, Mr. Wickes was astounded and amused to see the policemen salute him. He boarded the Walnut, of which steamer his son is engineer, and his son was greeted with the remark: "Hullo, you're in good company; you've got Sir Thomas with you." For five weeks Mr. Wickes underwent similar experiences. At that time Sir Thomas Bent was ill, and Mr. Wickes was being continually stopped by Melbourne citizens, who shook hands with him and congratulated him on his recovery. At his hotel there were numerous people who wanted to be introduced to "Sir Thomas," and even a close personal friend of Sir Thomas Bent was deceived by the resemblance. One night Mr. Wickes decided to stay at his son's hotel, rising at his usual time (6 a. m.), he found that breakfast would not be ready for some time, and he decided to get the meal outside. Entering a restaurant, he sat down at a table, but was invited by a waitress to go to the private room. Nothing loth, he complied with the request. Hearing some feminine giggling outside the door, he invited the waitresses in. To his astonishment one of them remarked: "We know you, Sir Thomas; you have been out all night. Oh, he!"
