United States Representatives: Henry DeClerque, Chicago, Ill. Louis Klebahn, New York. British Representative: Frederick A. Smith, 29 Ludgate Hill, London, E. C.

New York, Aug. 20, 1915. My Lord—Yesterday evening Consul General von Nuber receiv-

ed the inclosed aide memoire fro

the chief editor of the locally

tions war factory, and also in the

known to your lordship, leaves to-day at twelve o'clock, on board the Rotterdam, for Berlin and Vienna. I take this rare and safe opportu-

man military attache, is of great importance, and amply outweighs the expenditure of money involv-

working for twelve hours a

and seven days a week. All weak

found among the skilled hands, a means of leaving will be provided

Besides this, a private German

registry office has been established, which provides employment for persons who have voluntarily given up their places, and is already working well. They will also join, and the widest support is accurate me

I beg your excellency to be so ood as to inform me with refer-nce to this letter by wireless

Minister for Foreign Affairs,

In interviews, after the capture of

ditions were reversed, if the German

and if a British representative, by pro

Archibald, who is well

ST. JOHN, N. B., FRIDAY, SEPTEMBER 10, 1915.

"We are fighting for a worthy purpose, and we shall not lay down our arms until that purpose has been fully achieved"—H. M. The King. TO THE PEOPLE OF THE EMPIRE—Every fighting unit we can

CITY AND STREET RAILWAY

its text was then placed before the American Ambassador in London and To the general public the questio whether the city or the St. John Railcabled to the State Department at way Company is in the right in the Washington. The letter, which absorbed dispute which led to the removal of lutely establishes Dumba's guilt, is as street car tracks and the resultant follows: blocking of traffic on one of the city' busiest thoroughfares is less impor tant than the reopening of the line and the provision for the public of the known paper, Szabadsag, after a previous conference with him, and in pursuance of his proposals to arrange for strikes in the Beth-lehem Schwab steel and munistreet railway service they have every reason to expect and mand. It is easy to criticize, but it s doubtful if any useful purpose can either the Commissioner of Public Works for his midnight activ for providing provocation for such an effort. There is no doubt that the I take this rare and safe opportunity to warmly recommend the proposal to your lordship's favorable consideration.

It is my impression that we can disorganize, and hold up for months, if not entirely prevent, the manufacture of munitions in Bethlehem and the Middle West, which is the opinion of the Gerwickle in the opinion of the Germania of the middle west. that he is acting in the public inte est. Most people also will be prepared to admit that the directors and officers of the railway company feel ioner Potts, as a representative of public interest. It was for that purpose he received the support of th ent that he has failed, or that his laudable motives. In his attempt to city is to be run by the constituted authorities or the St. John Railwa, measure of public suport. There will also be many to take the view of the railway people that they have large interests at stake and should not b rights and privileges. So long as the railway company holds a charter co veying certain rights, just so long must those rights be respected and But if the railway company has gone beyond its rights, or has failed oner Potts holds the view that it has, then there will be public

cided in the courts without advice tivities and attempted to make light of from the newspapers or any person the situation. He regarded his conor institution. But while they are be duct as correct and contended that he To the Empire and the Inc. ing argued the people are forced to had not violated any diplomatic prostreet car service, insofar as and Vienna by the standards of diplo. When the realm is wrapped in woe, ain street is concerned. It is not to matic honor followed by them on prepposed that it is the desire of vious occasions, it is safe to say that To man's wisdom, add thy guidance, Commissioner or the company to they will take the same view as the Haste thy trumpet sounding peace. inflict inconvenience on the people who elected one and support the other vited to remove himself from the tailon Band and Secretary Oxford Veterings. er. On the contrary, to serve the public is the avowed aim of both parties

United States.

Dumba's action, in a neutral coun

rsement for the Commissioner in

his course to compel the company to

It is sincerely to be hoped that the difficulty may be adjusted on a permanent basis, so that once a decision is reached in the case of Main street, citizens may be spared further exhi. citizens may be spared further exhibitions of what is nothing less than British navy it is possible for the Alabsolute childishness. All parties concerned are business men of good repute. Surely they can settle their be manufactured. Germany and Ausdifferences on business principles tria are less fortunate, so Dr. Dumba, without resorting to methods savoring both of melodrama and farce. The public is rapidly tiring of the perfor-

### DR. DUMBA MUST GO

The information that the United might be able to interfere with their domestic industries. Vienna or Berlin States Ambassador has been instructed by his government to notify the authorities at Vienna that Dr. Dumba,
Austro-Hungarian representative in
the United States is not acceptable to Washington, and that he must be recalled, was not unexpected, in view of the fact that Dumba had shamefully abused the hospitality of the American government and American people.

tories engaged in producing munitions industry. He was quite willing that neral will take place Saturday afterto be supplied to the Allies. A letter strikes might occur with all the atng his plans was entrusted to tendant evils of bloodshed and loss of the plans was entrusted to tendant evils of bloodshed and loss of the respondent, and was seized When foreign representatives at second daughter of Mr. and dire. Thos.

tempted to interfere with politica conditions in the United States, as in one notable case, they were spe turned out as the penalty of the action Dumba's offence was not less seriou He tried to break down the struct of American industry as a part of a European military campaign. Conse quently, it is but fitting that he should

#### BUSINESS CONDITIONS.

Despite the reports of depress gratifying to learn that business condi tions in Canadian cities are improving Montreal reports a decided improve ment in general business. Toronto is in better condition in a business way than for thirteen months past. Enormous crops are expected in the west and reports from five centres, includ ing Winnipeg, are to the effect that commercial and manufacturing estab to a return of good times. The Qtta wa Journal reports that "Ottawa is back almost to normal. The retail houses are doing bigger business than before, hotels and theatres are well filled, and real estate is firmer.'

The Maritime Provinces, which felt he depression to a lesser degree than ing to their former prosperity. There s a definite feeling of optimism and he outlook for the winter and spring is more favorable than a few months ago was deemed possible. Canada is ers and sisters. already returning to the prosperity which, in the past few years, has given her a place among the favored

#### The Bugle Call

Yes, we see thee, grand old Britain, Once more called into the fray With the same old banner floating the cause of liberty When your bugle call was sounded Then your gallant sons sprang forth From their homes by ocean bounded and their offspring from the North. Where the "Southern Cross" is shining And from islands in the Main, We are coming, grand old Britain, Answer thee from sea and shore, By the thousand, yes unbidden, And if need be thousands more olated Britain, never, hough from alien compact freed, ou have allies none can sever, That will fail not in thy need, In those nations you've created, And protected in their youth, With they teaching permeated, Justice, liberty and truth. "Tis for these, you swept the desert Tis for these you rule the sea. And both life and wealth unmeasured And though oceans may divide ons of Great and Greater Britain. Vill be gathered side by sid Grand old Britain, yes, beside thee, On the field and on the deck; What the alien host denied thee aid the comfort here expect les, beside thee in the cottage there to its agreements.

In interviews, after the capture of These matters can very well be decided in the courts without advice tivities and attempted to make light of Tells of loved ones when they fall, Sharing sunshine with its beauties To the Empire and the Crown, Sharing with thee in the dangers,

When this hateful strife shall

### Little Benny's Mote Book.

Me and pop was out awn the frunt steps aftir suppir last nite and may satill back setting her dizzert, and awl of a suddin she calm running out and grabbed pop by the arm, saying, Willyum, Willyum, come back heer a minut.

out and grabbed pop by the arm, saying, Willyum, Willyum, come back heer a minnit.

Willyum Potts to the rescue, wats it awl about, sed pop. And he went back to the dining room with ma, me following them, and ma pointed to the sideboard saying, Lissen.

Im lissening, sed pop.

Its not doing it now, sed ma.

O, izent it, sed pop.

Thares sum kind of a animil undir thare, sed ma.

An elefunt, or meerly a horse, sed pop.

You may joak, but thare is, I tell you, sed ma, I herd sumthing hissing undir thare and I looked to see wat it was and I coodent see a thing and the hissing kepp awn, O Willyum, maybe its a snake.

Maybe its a giraff with its neck cawt, sed pop, shh, wats that.

Thats it, sed ma. Meening a noise undir the sidebord sownding like a cat sissing at anuthir wun.

Good nite, sed pop. And he got down awn his neez and looked undirneeth the sidebord, me doing it to, and thare wasent enything undir thare exsept the floar, ony the noise kepp awn making itself jest the saim.

See, you wood laff, sed ma.

Im not sooperstishiss, but I must confess thares sumthing about this I

See, you wood laff, sed ma.

Im not sooperstishiss, but I must confess thares sumthing about this I dont like, as Plato sed, it gets my goat, sed pop. And he went out in the hall and got a umbrella and caim and stuck it awl erround undirneeth the sidebord, and awl of a suddin the noise stopped.

I gess Ive cured it, watervir it was, sed pop. Wich jest then it startid agen, and pop sed repeet, its a good thing Im not sooperstishiss.

O. I mo, sed ma, the mans down the seller witewashing I forgot to tell you, and that the sownd of his brush awn the ceeling.

Air, air, sed pop. And he went out to the frunt steps agen and stood thare fanning himself with a fan and saying, Woman, woman, thy naim, is incomperhensibility.

incomperhensibility.
