economy. What is asked is in the inter-ests of the institution. The surplus re-ferred to by Coun. Maxwell was simply the money in hand on Dec. 31 to carry the hospital along till the next fall, when the money begins to come in. All con-tracts are awarded by public tender. Coun. Maxwell said that all that has Coun. Maxwell said that all that has been done has been done by the muni-cipality, which has issued bonds for \$21, 000 to improve the hospital. He contend-ed that Coun. White's remarks did not justify a grant now of \$20,000, when they had so large a surplus on hand. Grant \$18,000 and they would have with the sur-Gregory. Long and Gregory. plus an ample sum to meet every require nent. Coun. White replied that the enlarge-ment increased the current expenditure and the commissioners did not ask a dol Assessors-D. H. Mawhinney, J. M. \$3,241.50 51.40 Wenn, George L. Hargrove. Highway commissioners W. J. Dean, Amthony Thomson and David Hargrove. lar more than was necessary to make an \$3,292.90 keep the institution what the people wish it to be. it to be. Coun. Kelly spoke again in favor of Coun. Maxwell's amendment. Coun. Hamm spoke of the great im-provement made in the hospital, and urged that the grant be made \$20,000. Coun. Lee also strongly supported this grant. The commissioners had asked over \$23,000. Give them at least \$20,000. Con-sidering the work that has been and is Simonds, \$400. ttees of the council. being done that around is been and is being done that amount is not too great. Coun. McGoldrick strongly supported the grant of \$20,000. The commissioners had gone into the whole question with the finance committee, and the latter recom-mended a grant of \$20.000. If are month \$820.65 went to Fredericton, in agreeing to abol-ish statute labor if the government would not make the provincial highway act ap-ply to St. John county. mended a grant of \$20,000. If you want a first class institution you must pay for it. If the commissioners could not get suffi-cient money from the council they would have to appeal to the legislature. The hospital when completed will be a credit to Canada 18.54 40.20 It was ordered 'that some slight repairs be made to the registry office and court to Canada. Coun. Maxwell said he was not object ...615.17

ing to any item in the estimates, but insisted that the commissioners should pay the balance above \$18,000 out of the balance at their credit. Coun. White replied that the commi of Thorold, Ont., who is well known t

sioners must have the balance on hand or they could not conduct the hospital on business principles. They would simply have to borrow money. The large amount on hand at Dec. 31st had to carry them over till the next grants were received. They had to pay out money every day. Coun. Fownes said that as he under-stood it, Coun. Maxwell wanted the com-missioners to reduce the surplus of \$14, 000 they had on Dec. 31st. He though

that was a fair proposition. Coun. Maxwell spoke again, agreeing with this statement, and declaring that with the \$14,000 on hand on Dec. 31st, and a grant of \$18,000, with their other receipt bey would have this year over \$45,000. Coun. White said this was an absurd Warden Macrae said it would be un

fortunate if the commissioners were placed in a position where they would have to borrow money before the receipts for the year were available. The amendment was voted down, 15 to 6, and the section of the report recom-mending a grant of \$20,000 was adopted. Only Coun. Maxwell and Holder of the city men voted to reduce the grant. ad been redu ppearance, a The rest of the section was adopted with the change that the item for Lan

he con caster police was increased to \$800. The report was adopted as amended. ould b Jail Prisoners. Coun. Lewis submitted the following re-

port on the question on hard labor prissk more "One year has rolled around since you elected me chairman of the hard labor prisoners' committee. The committee stood prisoners' committee. The committee stood by me faithfully. I must thank them to-gether with the board and jail authorities, who all have assisted me. I gave one day a week to the work. I drew the guards' pay and left it at the jail for them, signed all bills and visited 'the men at work. I think the park was benefited to the amount of \$3,000 in improvements, and you have between four and five hundred yards of fint stone broken for street was and they let they 0. They ar with a bal

done yet. . Stream driving on Irish river has been slow work owing to the low water. Messrs. Fownes & White have comp yards of flint stone broken for street work. When I took the men out first they Coun. White said that at the inception of the institution the commissioners could make their own warrant, but after the in-quiry into hospital affairs a little over a year ago it was decided to increase the ted the cut at the Masher mill pond, West Quaco, and are moving their mill to Musquash

## Structure Valued at \$250,000 and Methodists and Presbyterian Clergy-Contents \$400,000. men of Sydney Endorse the Idea.

Sydney, N. S., May 11.—(Special)—At a largely attended union meeting of the Methodist and Presbyterian congregations held in this city tonight the following resolution was unanimously passed: Fort William, Ont., May 12-C. P. R. elevator "B" was totally destroyed by fire, which broke out at 1 o'clock this morning. The elevator was built in 1888, and had a capacity of 1,250,000 bushels.

Reselved, that this meeting consisting The building, which was of wood, was of a type technically known as terminal transfer elevator for unloading railway cars and loading lake vessels and had 13 Methodist churches of the city of Sydney, transfer elevator for unloading railway believing that the proposed union of the Congregational, Presbyterian and Methelevator legs and all necessary machiner cleaning machines, etc., and was operated odist churches in Canada, would be for by a 1,000 horse power engine. The elevator was valued at \$250,000. The the common good of our beloved country, would facilitate the spread of the King-dom of God and would also be in accord with the mind of Christ. Hereby gives exloss of half a million bushels of grain stored in the elevator will bring the total
