Broken Rail the Cause.
The "Sunrise" express left Halifax (N. B.),
for Boston, by way of St. John (N. B.),
at 8 o'clock yesterday morning, and
departed from St. John at 6 o'clock last
night. The train is scheduled to arrive in
Boston at 7:30 a. m., but owing to delays
in Northern Maine last night it was just
before 8 o'clock when the express passed
through this town this morning. The train
was then running at a high speed in an
effort to make up as much as possible of
the lost time.
The train consisted of a locomotive, bag-
gage car, two Pullman sleeping cars and
three coaches. As the express was passing
through a stone culvert a short distance
in the rear of the New Hampshire State
College of Agriculture, a broken rail was
encountered. The locomotive, baggage car
and one Pullman passed over without leav-
ing the rails, but the four rear cars jumped
the tracks, shot through the air and were
thrown into the stone culvert. There were
more than 100 passengers on board
the train and nearly all in the derailed
cars were bruised by the force with which
the coaches were thrown from the rails.
The engines stopped the forward por-
tion of the train immediately after the rear
cars left the track, gave the alarm, and
then hastened to assist the work of rescue.
Conductor's Story.
Boston, Jan. 20.—The special train from
the scene of the Boston & Maine Railroad
wreck at Durham pulled slowly into the
north station this afternoon. Station
Agent Folger had every wheel chair
available on hand, but few of the passen-
gers needed them. All who had come
from the wrecked train quickly took cars
or carriages for their homes.
The train was Conductor Howard
Reeves, who was in charge of the train
when it met with the accident and Brakeman
Johnson and Charlesworth, all of
whom sustained slight injuries. Conductor
Reeves said that he considered it re-
markable that he was able to report from
such a wreck as the one this morning,
that none was killed. He said:
"I was going through the smoker taking
my fare, when I felt the car rock. I was
thrown off my feet and when the car
was over, I was turned over with it.

VICTORIA COUNTY COUNCIL

Much Business Transacted—New
Officers Elected—Presentation to
Tom Rogers, Who is Suffering from
Poisoning at Hands of His Wife.

Andover, Jan. 21.—The semi-annual
meeting of the municipality of Victoria
opened in the court house here on Tues-
day morning and finished its business this
afternoon. The following councillors were
present, Warren Howlett in the chair—
Andover—James W. Howlett, George E.
Baxter, Drummond—Anders J. Jensen, Denis
Mulhern, Gordon—Edward T. Campbell, John
Ryan, Grand Falls—Charles Mulhern, Joseph
Le Cleve.
Lorne—John Barker, James Jenkins.
Perth—O. R. Inman, Peter Anderson.
James Tibbitts, secretary-treasurer, read
his report, which showed a balance on
hand carried over from Jan. 1, 1902, of
\$220.14, and total receipts from all sources
for the year of \$8,520.18; total, \$8,740.32,
with expenditures of \$8,832.34, leaving a
balance on hand of \$1,374.66. He had
loaned to the building committee, \$1-
64.28, which left an overdraft in the bank
of \$169.62.
Alex. Straton, clerk of the peace, was
heard before the board. He said the new
road act provided that the valuation of
each county must be taken between July,
1902, and July, 1903. That is, complete
without special legislation is secured from
the provincial government to postpone the
taking of the same. The council would
either have to provide for the taking of
the valuation at once or apply for special
legislation to postpone it.
A resolution was carried to apply for
legislation at the next session of the
legislature, to postpone the taking of the
valuation until the year 1908.
Thomas Lawson was heard before the
board on behalf of petitioners from Perth
and Andover asking for the appointment
of a special constable to preserve the
peace at Perth Centre, where disturbances
occur at certain seasons of the year, when
woodmen are passing through the village.
On motion the petition was not entertain-
ed, and the local constables will have to
keep order in the future.
The building committee reported that
the remodelled court house, \$4,222-
\$3,717 for repairs and \$505 for heating ap-
paratus.
A circular letter was received asking
the council to present a petition, in connec-
tion with other counties, to the local govern-
ment for the creation of a sanitarium for
consumptives in the province. The letter
was laid over until the July session.
On motion the wardens and secretary-
treasurer will send a requisition to the
dominion parliament asking to have the
railway crossing at Plaster Rock legalised
so that protection can be given the resi-
dents in case of accident to their person
or property by the railway company. This
is the only illegal crossing in the county.
A motion that the July session of the
council, which costs about \$150, be dis-
pensed with, was defeated by a large ma-
jority.
Alex. Straton, John Smith and Arthur
C. Jensen were reappointed county valua-
tors.
James Tibbitts was elected secretary-
treasurer for the coming year.
Hoyt, auditor; Alex. Straton, the clerk
of the peace, was voted the same salary
as last year. Coun. Baxter, Anderson and
Le Cleve were appointed a building com-
mittee for the coming year.
Coun. Baxter, on behalf of the coun-
cillors, as a personal gift, presented one of
the reporters, Tom Rogers, of Carling-
ford (whose health has been shattered by
the poison administered to him by his wife
two years ago, and who is now serving a
five years' sentence for the crime in Dor-
chester) with a well filled purse.
The young man briefly responded, while
he had not much hope that he would re-
gain his former good health, he trusted it
would improve in a measure, so that he
might once again take up the work pur-
sued prior to his almost fatal illness.
The different lists of parish officers were
confirmed; a discussion took place
on the new road act, which showed a dis-
position to give it a fair trial; the usual
routine work was gone through with, af-
ter which adjournment was made until the
midsummer session.
