Parties Interview Minister of Railways About the Matter

MAY HARNESS FALLS

Minister of Railways Has Thought of Getting Power from Petitcodiac River for Moncton Shops and Also for the City—G. T. P. Route Map Ready.

Ottawa, Dec. 11.—Hon. H. R. Emmerson has been interviewed by certain parties who want to establish car works at St. John. There are some Americans as well as Canadians connected with the scheme. Mr. Emmerson promised to do what he could to encourage the enterprise if it were started. There is some talk of getting power from the reversing falls. The minister of railways has under consideration getting power from the Petitcodiac for the Intercolonial workshops and also sufficient for the city of Moncton. This could be obtained by the construction of dams. The scheme is not yet perfected but it is said to be quite feasible.

The minister of railways has received the route map of that portion of the transcontinental railway between Moncton and the Quebec bridge. The disputed part between Grand Falls and Champlain has not yet been completed. The cabinet will pass upon the portions received at its next meeting.
