ALMONTE.

From the Gazette.

Miss Violet Young, professional nurse
of Stamford, Conn., has been accepted
for overseas service. She is now at
Kingston, preparing for entry upon her
work. Miss Tena Stewart, daughter of
Mr. and Mrs. Donald Stewart, is also at
Kingston, and is domiciled with Miss
Young.

Miss Maud Ackland, of Winnipeg, is
the guest of Mr. and Mrs. W. C. Pollock
at present.

Mr. Robt. Forde has disposed of his
farm to his son, and with Mrs. Forde has
taken up residence in town. They are
occupying Mr. Camba's dwelling on
Church street.

After an illness extending over a
couple of years and becoming more
severe last November, Mrs. George
Holland succumbed to Bright's disease
last Sunday morning. Sarah Ann
Dyson was a daughter of Mr. Henry
Dyson and was born fifty-two years ago
at Rotherham in Sheffield, England.
Thirty-four years ago she was married
to Mr. George Holland, and they had
their home at Longwood, Huddersfield,
England, until five years ago in June
when they came to Canada, and coming
direct to Almonte have since resided
here. Of a family of nine children, six
are still living, and are left with the
husband to mourn the loss of a kind
and loving wife and mother.

PERTH.

From the Courier.

Mrs. Robt. Brown fell on the walk
near Dr. Hanna's on Sunday morning
last and fractured the bone of her wrist.
The fracture was reduced by Dr. Hanna,
who came out of his office in time to
assist Mrs. Brown to rise.

Miss White, commercial teacher in
the Collegiate, has been suffering from
typhoid fever, and is consequently away
from her work for awhile.

A pathetic but not unusual incident
in these days of war came under the
notice of the local branch of the Daugh-
ters of the Empire last week. A
package of soldiers' comforts addressed
to Sergeant Roy R. Wilson, in France,
came back to them, just as it was sent.
Roy had been killed before the parcel
reached its destination, and the recipients
there were prompt in returning it.

Master Wesley David Gibson died at
his home on Gore street, east, Sunday,
at the age of eight years. The young
lad was a son of Pte. John W. Gibson,
who went overseas with the 130th Bat-
talion, and is now in Belgium, and Mrs.
Gibson, residing in town. He received
serious injury to the head some time ago
while playing near the station, and
paralysis ultimately developed, result-
ing in his demise. His parents and four
younger children survive.

From the Express.

Rev. J. P. McLennan occupied the
pulpit in Knox church, Sunday morning,
and Rev. A. Rintoul in the evening,
owing to the illness of Rev. Mr. Grant.
The Red Cross Society have decided
to start a branch of St. John's Ambulance
Corps in Perth.

Many will regret to learn of the pain-
ful injury sustained some time ago by
Mrs. Hamilton Stewart, of Drummond,
who broke her wrist when the cutter
overtaken. Mrs. Stewart will require
to give the arm a year's rest.

William Brady has disposed of his
milk business to his nephew, son of Mr.
John Brady, and purchased E. J.
Traynor's farm on the 3rd line of
Bathurst.

Distinction has come to Lieut. P. S.
D. Harding in France, former district
representative here at the Department
of Agriculture. He has been made
chief adviser in Agriculture to the
French behind the lines.

Mr. and Mrs. James Closs, 11th line
Drummond, received word that their
eldest son, Private Thomas Closs, had
suffered a badly lacerated hand and was
admitted to Warwick Hospital, England,
on March 10th, having served exactly
one year at the front. Pte. Closs enlisted
with a Pioneer Battalion at Prince
Rupert.

There has been some confusion
regarding the awarding of the cup
offered by General Sir Sam Hughes for
the battalion which secured the greatest
number of recruits for service overseas
during the period beginning October
16th last and ending January 15th,
according to an officer of the 240th
Battalion. While it has been announced
that the 257th Battalion has won the
trophy, he claims the 240th had the
honour, owing to the fact that construc-
tion battalions were not included in
those eligible. The regiment in question
obtained the greatest number of recruits
during the campaign—so many, in fact,
that nearly 270 men were turned over
to the 257th.

APPLETON.

Special to THE HERALD.

Ptes. Ashman and Turner are at
home on a short visit.

The Ladies' Aid of St. Andrew's
church will meet at the home of Mrs.
A. McDougall, on Thursday to work
for the Red Cross.

A. Howard Wilson, No. 628551, son
of the late Andrew Wilson, of this vil-
lage, was again wounded during the
first week of January, and is at the pre-
sent time in the hospital at Oxford,
England. Since Howard returned to
his unit, after being wounded in Octo-
ber, 1916, he has been acting as a sni-
per for the 29th Canadians, and while
on duty received a bullet in the neck.
It entered at the front and passed out
at the rear, just missing the main ar-
tery by a 16th of an inch. A letter re-
ceived by a Red Cross Nurse, and re-
ceived by his mother on March 6th,
says he is doing fairly well.

We have received the following:
Seeing her own son leaping forward in
a charge on the battlefield, a few
seconds before he probably was killed,
was the experience of Mrs. Jas. G.
Baird, wife of the speaker of the Mani-
toba legislature. It became known to-
day. While viewing the official motion
picture of the Battle of Courcellette at
the Dominion theatre, Mrs. Baird saw
the figure of her son, Pte. George Baird
leap from the trenches as the men
charged, and go dashing across the
battlefield. Then the scene changed
and although other soldiers were shown
later in the charge Pte. Baird was not
among them. Pte. Baird has been miss-
ing since the Battle of Courcellette. It
is feared that he, like many of his
comrades, was buried by a shell dur-
ing the charge, and careful search of
the field failed to reveal any trace of
the missing man and it is said the pos-
sibility of their capture by the Germans
was remote as the enemy was fleeing
widely before the onrush of Canadian
troops. Mr. George Armstrong, labor
leader, also recognized Pte. Baird and
later a close inspection of the film at
a private showing convinced Mr. and
Mrs. Baird it was a picture of their
son. Mr. and Mrs. Baird are well
known around here.

LANARK.

From the Era.

Mrs. James Ross, mother of Mrs.
(Rev.) A. W. Drysdale of Middleville,
passed away at her home in Westmount
in her 72nd year, after a lingering illness.

Mr. Wm. C. Stead sold his farm on
the 2nd Con. Lanark to Mr. Robert S.
Foster last week and has purchased Mr.
Ben. Willis' property in the north end
of the village.

Mr. Narish Firth has resigned his
position as boss spinner in the Clyde
Woolen Mill and leaves in a couple of
weeks for Waterford to take a similar
position in a mill there.

Pte. James Traill, of Drummond, who
was wounded a few weeks ago in France,
is now an inmate of Bagthorpe Military
Hospital, Nottingham, England. In a
letter to his parents, received to-day,
"Jimmy" says he was wounded by a
machine gun bullet on the left arm
between elbow and wrist, the bone being
fractured.

Catherine Graham, wife of Mr. Wal-
ter Burns, of Lanark Township, died
last Friday, March 23rd, at the family
residence. Death came after a short
and severe illness with pneumonia, it
was only one week from the time she
took ill until the end, the ultimate cause
of death being heart failure.

FRANKTOWN.

Special to THE HERALD.

"The day is cold and dark and dreary,
It rains, and the wind is never weary."

Mr. A. T. Hughton, of Arnprior, is
the guest of his brother, Mr. John
Hughton.

Mrs. Robt. McLachlin is indisposed
with a severe attack of pleurisy. Her
condition is improved at this date.

A promising son arrived on Friday
last to brighten the happy home circle
of Mr. and Mrs. Wm. Cardiff.

Mr. A. Arbuckle has completed the
sinking of a well at the residence of Mr.
George McLellan.

April the first was not distinguished
this year for making fools, but as the
date upon which the new system of ring-
ing was put in operation on the Beckwith
and Montague Telephone Line. The
news calls are a bit confusing, yet, and
some people thought that they were be-
ing made April fools on Monday.
But like the Irishman with the hanging,
we will have to get used to it.

Pte. Eric Monk, one of our Frank-
town soldiers at the front, was severely
wounded in the arm a short time ago
and is now in a convalescent hospital
"somewhere in France." The latest re-
port received here by Mrs. Monk was to
the effect that the brave soldier was im-
proving and would soon be able to do
battle again in the trench warfare. It
will interest many to know that Cor-
poral Monk had met Sergeant Harold
Edwards, another soldier from this vil-
lage, and that the Franktown heroes
were very glad to meet each other.

Franktown is to be honored with a
visit this week from Sergt. Gibbons, a
returned soldier, who was for a time,
a prisoner of war in Germany, and who
will address a patriotic meeting in
the orange hall, Friday evening next, at
7:30 o'clock, on account of his ex-
perience as a prisoner in a German
camp. Sergeant Gibbons is sent out by
the Speaker's Patriotic League of Ont-
ario and is speaking at several places in

Lanark County this week. We are sure
that our village and community will
give this brave soldier an enthusiastic
reception and thus do honor to whom
honor is due. The admission to the
lecture is free and all are cordially in-
vited.

Other soldiers overseas from our
village are Sergeant Lorry Edwards, and
Private John Pierce, R. T. Pierce, James
L. Perry, Jerry O'Shea and Sergeant
Herb Willis. The six or seven homes
in Franktown that these gallant young
warriors represent think anxiously about
them from time to time and their wives
and parents, brothers and sisters are
"keeping the home fires burning till the
boys come home."

There will be special services in the
Presbyterian Church next Sunday morn-
ing and evening in connection with the
third anniversary of the induction of
the present minister. The morning Ser-
mon will be on the timely subject of
"Jesus and the Resurrection," and in
the evening the pastor will give a re-
sumé of the congregational life work
during the last three years. All are
earnestly invited to be present.

The soft weather is making the roads
heavy, but the mildness of the atmos-
phere is a foretoken of spring which
everyone is anxiously longing for.

A good many of the farmers about
Franktown are busy in the sugar bush
these days and the sap is flowing pretty
freely.

The Young People's Westminster
Guild had an excellent temperance pro-
gramme at their meeting last Friday
evening, consisting of suitable solos and
readings, and a very interesting account
of the annual convention of the Domi-
nion Alliance at Toronto.

The village streets are very muddy
at present. Say, what about getting
those sidewalks fixed up this spring.
Don't you think that they require fixing
up just a little bit and then some.

With the going of the snow and the arrival of spring many car owners
are thinking of the lovely motor rides in the near future. The country
never dried up quicker, and everything points to early motoring.

Most people have now decided whether they are going to buy a Car
or not this year.

Everybody is talking economy and that is help-
ing the sale of Ford Cars for as well as being the
cheapest to buy they are the most economical to run.

Nobody ever doubts the wisdom of buying a
Ford Car as it is considered a part of the home or
farm equipment.

Next to economy the talk is for Preparedness.

Why not buy your Ford now? You will then
have the full season (8 months) of solid pleasure
motoring. It costs no more to buy your Ford now
than later and the license, etc., is no less by waiting.

The price of a Touring Car fully equipped with Electric Lights and Horn is only \$517.00 at your
door and it is guaranteed against decline but not against advance. We can accept \$175.00 cash and
arrange easy terms on the balance and turn over the car at once. Ask for details of this plan as it makes
it possible for any responsible person to get a car.

Of course we will see that you get good satisfaction out of your Car as we have a well equipped
fire proof garage under most capable mechanical management.

As well as caring for Fords, we will repair any make of car and every job is warranted to
give satisfaction. Prices reasonable.

We have a full stock of all sizes of Tires, Tubes and Sundries on hand, all priced right.

Ford Touring Car, \$517; Runabouts, \$497, at your door.

Drop in and see our new Garage.
