London Won a Game Yesterday

AND THE BEAVERS WERE THE VICTIMS

GILBERT GOT OFF TO A BAD START
LONDON, June 28.—It was a great game at Tecumseh Park last night in the twilight and London won it by a score of 8 to 3. A pitcher named Gilbert, a lanky individual who wore a London uniform, was the merrymaker on the mound for the Beavers, who started for Kitchener, but about all he got was the start and the shock was killing. In the first inning, with London at bat, Beattie yanked Gilbert, with the bases full, none out and two runs, and "Frenchy" Chaput, another former London player, was the merrymaker on the mound for the Beavers during the remainder of the game. When the dust cleared away and the last out had been made in the first inning, seven runs were chalked up for the Tecumsehs, to one for the Beavers, and the host of fans present were on the verge of hysteria.

SEVEN COUNTERS IN FIRST
The trouble began when Hefter, the Kitchener shortstop, allowed Mitchell a life on his grounder. Not satisfied with this he repeated the performance for Hagel, and hits by Bullock and "Dad" Stewart, followed by a walk for Miller, a sacrifice fly by Command, singles by Pettinger, Milligan and Hagel and errors by Scanlon and Chaput, netted London the lucky seven counters. In the second, Command, in left field, robbed the Beavers of two sure hits, picking one from Harrison's bat which brought the crowd to their feet.

LONDON MAKES TRIPLE PLAY
There was no scoring on either side after the third inning and, although he pitched excellent ball, Scott, who worked for the Tecumsehs, was several times rescued from danger by his team mates. In case it be overlooked, let us mention right here that London pulled off a triple play, a real three out, all out, in the seventh, two-thirds of which was accomplished by Mitchell on first base. Nicholson of the Beavers, singled to Mitchell and went to second when Beattie singled to Command in left field. Wade then shot a line drive down first base way, which Miller speared, one-handed style, touched the bag, doubling Beattie, and heaved to Hagel at second, who completed the triple by catching Nicholson flat-footed before he could return to second. It was a beautiful play, and just to show their appreciation the crowd made a noise.

SNAPPY DOUBLE PLAYS
Double plays were also in order for the London nine, the Hagel-Miller combination being responsible for the first, and Pettinger, Bullock to Miller tells the story of the second one in the eighth inning.

LONDON MADE BUT ONE ERROR DURING the game, Pettinger musing up Kyle's slow bunt in the first inning. Kyle was on the job as usual, getting on each time, his final resort in the ninth was to let Scott hit him. Chaput pitched fair ball, and Scott's assessment was a puzzle to the Beavers, having six strike outs to his credit. The only extra base hit was one for two bases, by Harrison of Kitchener, in the third inning, scoring Nicholson. The score: KITCHENER:

ON THE SIDE

In London a newspaperman is hawking the ball club and is about as successful at picking a winner as another aspiring newspaperman we know of in this locality.

London has four victories to its credit out of thirty-nine games played. Half of these were secured at Kitchener's expense.

Six errors by the Beavers at critical moments tell, in a nutshell, the story of yesterday's London victory over Kitchener. Little Hefter, at shortstop, who pulls off some very impossible fielding stunts from time to time, is always unfortunate enough to make his breaks at a bad time.

Saginaw turned the tables on the Custers yesterday when Schwartz, who was knocked out of the box in the opening encounter, held Battle Creek to six hits and scored a 2-0 shut-out.

The Bay City Wolves lost two straight at Flint when the Halligans trimmed them to a standstill, 7-1. Brown, Flint's third baseman, had four hits in as many chances and batted in five runs for the home team.

Knotty Lea became obnoxious at Hamilton and Umpire McKee banished him from the grounds although the Six beat the Shammen 6-3. Gero, who is reported to have been traded, is evidently still in the Abitibi City, as he relieved Shetler when the latter was batted out of the box.

The Red Sox have won all their games this week and a half game separates them from the first division. Bill Cristall's Wolves have struck a losing streak in the last two weeks and are sliding badly.

County League to-day: Stratford at Kitchener, Cubs at Galt.

DOMINION CONVENTION GREAT WA

MANY IMPORTANT QUESTIONS ARE TO BE DISCUSSED (Special to The Record)

WINDOVER, B.C., June 30.—With over three hundred delegates from the Atlantic to the Pacific already registered, the third annual convention of the Great War Veterans' Association of Canada and the first Dominion peace convention, awaits the zero hour to commence a history making session. The convention opened at ten o'clock to-day and will not conclude deliberations until Friday evening, during which period most vital problems, touching the returned soldiers interests and carrying far-reaching effects will be decided.

Sir Frank Barnard, Lieutenant-Governor; Premier Oliver, of British Columbia; Mayor Gale, of Vancouver, and W. J. Bowser, a member of the legislature addressed the delegates at a civic reception luncheon to-day, after which the business sessions commenced. The subject creating the most discussion is the famous Calgary resolution calling for grants of two thousand, fifteen hundred and one thousand dollars, according to service for those who were in khaki. Evidently since the Ontario provincial convention at Windsor this gratuity demand has gathered greater impetus and support from the province of Ontario. Central Riverside of West Toronto and the Earlscourt delegates are working unanimously with the western members on this gratuity proposition, making the outlook encouraging. Strong opposition offers and presages one of the keenest fights of the convention.

The present labor unrest throughout Canada is one of the principal matters for consideration by the convention. It is expected to pass a resolution, drastic in its demands and asserting that

GERMAN DELEGATES DEPARTED JUNE 29

TOOK LEAVE WITH PUNCTILIOUS POLITENESS

PARIS, June 30.—The departure of Dr. Hermann Mueller and Dr. Bell and about fifty other members of the German delegation from Versailles last night, was virtually unnoticed. To avoid crowds, celebrating the signing of the treaty in the streets of Versailles, the German delegates, who were in fifteen automobiles by a roundabout route to Noisy-Le-Roi, where they boarded their train at 9 o'clock.

In party was Herr Scheuermann, who represented the Deutsche Tages Zeitung at Versailles and who was temporarily arrested by the French last week. The Germans were accompanied as far as Cologne by French and Italian officers. The Germans took their leave of the French officials at Versailles with punctilious politeness.

FILLING TASK WITH HEAVY HEART

BERLIN, (Saturday).—Dr. Hermann Mueller, Foreign Minister, begged to be excused from an interview with a correspondent of the Tageblatt on his arrival at Versailles, because he did not desire to detract from the nature of the mission assigned him. The Minister told the correspondent he was fulfilling his task with a heavy heart.

BIG CORK PULLING IN CHICAGO TONIGHT BEFORE GOING DRY

EXPECTED REVEL WILL OUTDO ALL RECORDS

CHICAGO, June 30.—Many saloon keepers and proprietors of restaurants, where liquor is sold, planned to keep their places open to-night long after midnight when wartime prohibition goes into effect. They expect to sell large quantities of liquor to patrons up to midnight and allow them to remain as long as they desire to consume it. Thousands of reservations have been made in hotels and restaurants for the celebration of the passing of liquor and proprietors predicted a revel which is expected to surpass those that have taken place on New Year's eve.

BOLSHEVIKI ARE LEAVING PETROGRAD

BLOWING UP THINGS BEHIND THEM

HELSINGFORS, (Saturday).—The evacuation of Petrograd by the Bolsheviks is hastily progressing according to recent decrees of the Bolshevik government received here. War Minister Trotsky has ordered that the fortress of Kronstadt be blown up before its
