**The Improved Acme Washer**

will wash thoroughly and perfectly clean anything, from the finest piece of lace to the heaviest blanket, without tearing a thread or breaking a button. In fact, there is nothing in the way of washing which can be done by hand or with any other machine which cannot be done better, more easily, and more rapidly with the **IMPROVED ACME WASHER**. Besides being made of the very best materials, handsomely finished in natural wood, it has a number of

**Special Features**

not found on any other machine. These consist of: 1. **A Movable Wringer Stand**, which brings the wringer directly over the tub, so that all the water falls back into the tub, instead of on the floor. (The wringer need never be taken off.) 2. **The Hinged Lid**, which is practically steam tight, prevents the water from splashing over. This is merely raised up and leaned back against the handle, so that all the suds must drain into the tub. 3. **The Extension Stand** holds the basket, or rinsing tub, close to and on a level with the machine, so that the clothes cannot fall on the floor, and no stooping is necessary. 4. **No Iron Post** runs through the machine to rust and stain and tear the clothes.

There are many other good points about the **Acme**, all described in detail in our little booklet, entitled, "Wash-Day Comfort." This is free for the asking. May we send you a copy?

**Is This a Fair Offer?**

If you will write us that you are interested, we will give you the name of the dealer in your town who handles the Improved Acme washer. You can see the machine at his store and learn all about it before you buy it. If your dealer cannot supply you write us direct, sending us his name and address. You risk nothing but a two-cent postage stamp to mail us your letter.

**WRITE TO-DAY**—even if you are not just ready to buy or even try a machine; in that case let us send the little booklet—remember, it's FREE—Write to-day! Address:

**E. H. BRIGGS CO., Winnipeg, Can.**

These Machines will be on Exhibition at Winnipeg Fair under the Management of a specialist. Don't miss this Exhibit as it will be one of the best on the grounds, as well as one of the most instructive and interesting for Women.
