

ANNO SEXTO ET SEPTIMO

# VICTORIÆ REGINÆ.

CAP. XXIX.

An Act for reducing the duty on Wheat and Wheat Flour, the Produce of the Province of Canada, imported thence into the United Kingdom.

(12th July, 1843.)

**W**HEREAS on the twelfth day of October, one thousand eight hundred and forty-two, an Act was passed by the Legislative Council and Legislative Assembly of the Province of Canada, and reserved by the Governor General for the signification of Her Majesty's Pleasure, imposing a duty of three shillings sterling money of Great Britain, on each Imperial Quarter of Wheat imported into Canada, except from the United Kingdom or any of Her Majesty's Possessions, and being the growth and produce thereof: And whereas it is recited in the said Act that it was passed in the confident belief and expectation that upon the imposition of a duty upon Foreign Wheat imported into the Province, Her Majesty would be graciously pleased to recommend to Parliament the removal or reduction of the Duties on Wheat and Wheat Flour imported into the said United Kingdom from Canada: And Whereas, in consideration of the duty so imposed by the said Act of the Legislature of Canada, it is expedient that, if Her Majesty shall be pleased to give her Sanction to the said Act, the duties imposed by an Act made and passed in the last Session of Parliament, intituled, "*An Act to amend the Laws for the Importation of Corn*" upon Wheat and Wheat Flour, the Produce of and imported from the Province of Canada, entered for Home Consumption in the United Kingdom, should be reduced as hereinafter is mentioned:
