

IV. The said Company shall have power to cause their steam vessels and other vessels to call at or ply between any ports on the St. Lawrence River or on the Lakes connected therewith, and whether Canadian or American ports, and *vice versa*, as well as in the manner provided in their Charter.

V. The said Company shall commence operations under the said Act and this Act, within five years from the passing of this Act, in default of which they shall forfeit and lose all the benefits, rights, privileges and advantages thereby and hereby conferred upon them.
