

# COLLUM'S COLUMN

by Pete

A belated thank you from Coach Born and the Red Bombers to all the fans who went down to Mt. A to cheer the Bombers at the game two weeks ago.

Speaking of football, the University of PEI is the guest of the Bombers on Saturday at College Field. Game time is 1:30 pm. Make sure you are out there cheering. At half-time the Engineers will hold their "GREAT RACE". They will be asking a voluntary admission fee for the game, the proceeds from which will be given to the "United Appeal Fund".

The Red Shirts came through in fine style last weekend, crushing St. F.X. by a score of 4-0, fulfilling a Bruns prediction, I might add.

Our X-Country team did it again, the Red Harriers won their twelfth consecutive AIAA title. They will now represent the Maritimes here in Fredericton on November 13, against three other Canadian Universities in the CIAU Championships.

Bob Slipp, Doug Keeling, Dave Beattie, Dick Slipp, Ian Cordner and Norm Savoie were the UNB point-getters. UNB will be representing the AIAA for ninth time in a row in National competition.

In rugby action, the Ironmen blew it. They came out strong against "X" on Saturday. But on Sunday, Dalhousie made them look like "Tinmen" and bent them all out of shape (or was it the party the night before that did that?).

There is still a need for swimmers for the men's varsity swim team, the Beavers. You don't have to be a fantastic swimmer. Over the years the Beavers have won not with an abundance of stars, but with depth. This is what they are lacking. Why not go out and give swimming a try.

For all you Volleyball freaks. The varsity Red Rebels will be opening training camp on Monday, November 1. The time will be 6:30 pm. All interested players are invited to try out for the defending AIAA champions.

Also there will be a Junior Volleyball Clinic this weekend at the gym. There is also a need for teams in the intramural league. Get together and play. Remember, volleyball is no longer just a recreational sport. To get something out of it, you have to put a lot into it.

The T & F team didn't do well in Halifax, as they placed fifth. The real surprise was that every university except UPEI sent a team to the competition. Utterly amazing. I think the team did well in amassing 20 points.

Peerless predictions of the week: Argos over Hamilton, Ottawa over Als, Bombers over PEI, and Moon over Miami.
