Dear Mr. Meighen

Why did you tell someone
that Baldwin sent his congratulations ~~in~~^{to}
Stirling. Of course it would be the proper thing
for Baldwin to do and there is no doubt he felt
that way but he surely wouldnt want to hurt
McKenzie Kings feelings ha ha - M.K.K is a
very important man and the British Empire know
it well

Yours truly

W. Chisum
P.S. excuse the punce. Yes we have no use
to keep
