

Joseph S. Kill (U.M. 173), ~~A.H. Lottridge~~ A.H. Lottridge  
 (L.M. 443), Mrs Eva Martin (L.M. 468), Peter Martin (L.M. 472)  
 Mart J. Mitten (U.C. 124), Nelles Monture (D 533), Mrs  
 Elizabeth Powles (L.M. 499), John Turkey (U.M. 320) Mrs  
 Nancy Van Every (U.C. 153).

I wish to draw your particular attention to A.H.  
 Lottridge's account which is marked "paid in full" on  
~~your statement~~ your statement of the 8th ultimo, the books  
 in the Department show that only \$84.25 has been paid  
~~of which~~ of which nearly \$60.00 is interest, leaving about  
 \$25.00 available to pay off a loan of \$150.00.

As many of the loans are several years in  
 arrears, and some not paying interest in full, the Depart-  
 ment will, I regret to say, be obliged to enforce payment.  
 You should advise the Indians to this effect.

Your obedient servant.
