

THE VORTEX

By THOMAS McKEAN

12mo. Decorated Cloth, \$1.50

The love-story is laid in Italy, and has to do with the battle of two personalities. The leading characters are drawn with a firmness and skill that will interest every reader.

"Mr. McKean gets enviably far away from the smart novel that has the divorce court as its finale and the trite conclusion. A powerful moral novel, . . . that has little to do with the frivolities."

THE CHALLONERS

By E. F. BENSON.

12mo. Cloth, \$1.50

"When we remembered that E. F. Benson was the author of 'Dodo,' a book about which every one was talking a few years ago, we expected to find that he had given us something pretty good in 'The Challoners.' We read it, breathlessly and absorbedly, and then we were of the opinion that he had given us a novel that is better than the book which made him famous."
