HOWARD'S ALE.

ART GOODS AND BRIC-A-BRAC.

If there's one branch of our business more interesting than another, it's our **BRONZE STATUARY**. Every piece is reproduced from noted French Artists, and the finish is very fine. We show Busts of Mozart, Beethoven, Shakespeare, Diane, Josephine, Eugene. Figures of Don Caesar, Don Juan, Mercury, Fortuna. Groups representing Industry, Commerce Music, Hunting, etc., etc. And a full line of Animals—Horses, Dogs, etc.

Our display in this line is really worth seeing, even if you don't intend to buy.
