

The Support of our Work.

At present it is unfortunately more necessary to talk about support than work, as our funds are insufficient to meet our bare expenses, and to all cries for increased extension of the services of the Church into the regions beyond, the answer must be given sadly, yet sternly, "No."

We can scarcely say that any of the other dioceses are as yet doing fully what we expected of them. We will respectfully refer to each in turn.

Huron gives \$600 per annum to the Episcopal Fund, and was asked to contribute \$1,200 per annum to the support of our Missions. This, in fifteen months, would be \$1,500, of which amount she has paid us \$835 05. Our Corresponding Secretary is John Beard, Esq., of Woodstock.

Toronto gives \$800 per annum to the Episcopal Fund, and promised \$1,600 per annum to our Missions. Since the formation of the new Diocese of Niagara this burden has been divided between the two Dioceses. For the past fifteen months, ending October 1st, 1875, there would be due to our Mission Fund \$2,000. Of this amount Toronto has paid us \$1,485, Niagara, \$219 61. Total, \$1,704 61. Toronto's last payment was made July, 1st, 1875. That due October 1st, last, has not been received, but in lieu thereof came a letter from his Lordship the Bishop of Toronto, on the 4th of October, stating that the necessary funds were not forthcoming, and expressing the hope that we might be able to do without it.
