

**IN MEMORIAM**

Lithographed in 14 colors, sizes 32 x 24 in

This most excellent picture has been prepared at a great expense, and has proved itself to be one of the most popular pictures of the day wherever it has been seen.

As a souvenir of our brave boys who have given themselves for the honor of Canada and to prove their loyalty to the mother country, it has no equal, and should hang on the walls of fame and in the homes of every Canadian, and it will.

"It doesn't take much to make some people conceited."

"What now?"

"Why, since the village blacksmith learned how to mend automobiles he calls himself a blacksmythe."
