### Scientifically Refined By Graduate Workmen

The high quality of En-ar-co Motor Oil is unvarying. This has been accomplished not only by the use of the best materials, the most perfect equipment, exact formulas, and rigid tests, but also by the highly specialized training each En-ar-co workman receives.

Each must pass through many steps of refining instruction. And not until he has received his master degree is a workman entrusted with responsible tasks.

Thus we have developed Scientific Refining. And thus we have produced an oil that is uniform—that never fluctuates in its perfect quality.

On the road, in the field, on the water or in the air, En-ar-co National Motor Oil conquers the resisting force of friction, and lightens the load. It increases the power, and by a soft, velvety cushion or film—strong and tenacious—it reduces the wear on parts.

### All En-ar-co Products Excel

As En-ar-co National Motor Oil is extra dependable, so are all other En-ar-co products.

**White Rose Gasoline** for greater power.

**National Light Oil** for Tractor fuel. Also best for lamps, oil stoves, and incubators.

**En-ar-co Motor Grease** for every lubrication point around the motor car or tractor.

**Black Beauty Axle Grease** for wagons.
