add an artistic and acoustic value to the edifice. Vaulted Ceilings are shown to no better advantage than when finished in Pedlar's Sheet Metal. There are no limitations to the artistic effects possible.

Beauty, permanency, lightness of construction are all preserved and full acoustic powers assured.

There's nothing cheap about the Sheet Steel Church Ceiling.

On the other hand it duplicates all the features of the hand decorated edifices of the old world. Besides it's economical.
