

WORKMEN'S RIGHTS

In Canada a workman may proceed against his employer under the Workman's Compensation for Injuries Act, and at common law. That means untold annoyance and inconvenience to an employer. An employer is even liable for damages to an employee for injury resulting from the negligence of a fellow employee. Oft-times a workman will get back at an employer in this way. The employee may or may not win. Whether he does or not it means a great deal of anxiety to you as an employer. Let us relieve you of all this. Our liability policies are designed to do this very thing.

Will be glad to explain our plan.

WINNIPEG

The Supply City of Western Canada

Offers greater combined advantages to manufacturers and capitalists than any city in Canada. The remarkable development of this great central market is creating an unprecedented demand for home industries.

WINNIPEG WANTS THESE MANUFACTURERS

and offers cheap power, cheap sites, fixed assessment, the best of labor conditions and unexcelled railway facilities; Over a billion dollars produced by the farms of Western Canada in the past five years, and this with only 8 per cent. of the available land under cultivation. Consider what this development makes possible for the home manufacturer.
