AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs: none so trifled with by the majority of sufferers. The ordinary cough or cold, resulting perhaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. AYER'S CHERRY PECTORAL has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs. I had a terrible cough, and passed night after night without sleep. The doctors gave me up. I tried AYER'S CHERRY PECTORAL, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the PECTORAL a permanent cure was effected. I am now 62 years old, hale and hearty, and am satisfied your CHERRY PECTORAL saved me.

HORACE FAIRBROTHER, Rockingham, Vt., July 15, 1882.

Croup.—A Mother's Tribute.

"While in the country last winter my little boy, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of AYER'S CHERRY PECTORAL, a bottle of which was always kept in the house. This was tried in small and frequent doses, and to our delight in less than half an hour the little patient was breathing easily. The doctor said that the CHERRY PECTORAL had saved my darling's life. Can you wonder at our gratitude? Sincerely yours,

Mrs. EMMA GENDRY, 159 West 128th St., New York, May 16, 1882.

"I have used AYER'S CHERRY PECTORAL in my family for several years, and do not hesitate to pronounce it the most effectual remedy for coughs and colds I have ever tried." A. J. CRANE, Lake Crystal, Minn., March 13, 1882.

"I suffered for eight years from Bronchitis, and after trying many remedies with no success, I was cured by the use of AYER'S CHERRY PECTORAL. JOSEPH WALDEN, Byhalia, Miss., April 5, 1882.

"I cannot say enough in praise of AYER'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from lung troubles." E. BRADGON, Palestine, Texas, April 22, 1882.

No case of an affection of the throat or lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.

No. 4.—LIVES OF ILLUSTRIOUS SHOEMAKERS, and a constellation of celebrated Cobblers.

By Wm. Edward Winks. This is a most interesting book, written in a very popular style. Mr. Winks has written what everybody will love to read. The shoemakers of England have always been remarkable for two things: first, they have always been in advance of other tradespeople in their love for religious and political freedom. In all movements in England for progress they have stood together as one man. The shoemakers of England have also been remarkable for their intelligence, humor, love of honesty, and their hatred of all affectation and sham. From their ranks have sprung more than from any other class of tradespeople, men of great power and influence. The great Wesleyan Methodist denomination owes more to the cobblers of England, than to any other class. Mr. Winks tells some exciting stories of some of them. Price 25 cents.
