**It is well-known**

That successful Doctors read all the latest  
medical books and papers and go abroad  
occasionally to study. Successful lawyers  
read legal publications to learn the latest  
legal decisions and points constantly crop-  
ping up. Teachers, clergymen, druggists,  
architects, all read the publication issued in  
the interests of their profession. They  
must do so to keep up with the times.

The same applies to grocers and general  
merchants. They must not only read the  
best papers published in their interests but  
must also watch the advertisements closely.  
There they learn the rise and fall in prices ;  
latest trade news and methods of buying,  
handling and selling goods, so that they  
may make the greatest profit. A doctor  
reads much that he already knows, so does  
a lawyer. So does a number of any of the  
other professions. So will a merchant. It  
is often the issue of the paper he misses that  
is worth dollars to him. His best and safest  
policy, therefore, is to subscribe for his  
trade paper.

The only exclusively grocery and general  
store paper is THE CANADIAN GROCER  
issued weekly, subscription price \$2.00 per  
year.
