CLIFFORD.

Mr. John Heimbecker was at New
Hamburg from Saturday to Tuesday
His only remaining brother, William
H. died there on Friday the 28th.
Three brothers have died inside of
five years, two being victims of the
"flu." John is now the only surviv-
ing son of the aged father who lives
in New Hamburg.

On Thursday afternoon just before
Mr. and Mrs. Hazlewood were leav-
ing town, the school trustees gathered
at the home of Postmaster Mathew-
son and presented Mr. Hazlewood
with a serviceable umbrella as a re-
membrance from the members of the
board.

This morning Mr. Conrad Miller
met with a painful accident. He had
been down cellar of his shoe shop
in the Schaab block, to get some leath-
er, and in coming up the stairway,
the trap door over the stairs fell
down just as he reached the landing.
The door pinned one of his legs to the
side of the opening, and he was stuck
there fast unable to extricate himself.
Fortunately Mr. F. Butchart was
there at the time and released Con.
The injuries to his limb, a chronic
sore one, are quite serious and he
may be laid up for some time.

school attendance officer, the services
of an adolescent between fourteen and
sixteen years of age are required in
some permitted gainful occupation
for the necessary maintenance of

EXPERT KICKER INJURED.

Mr. Frank Schmidt, the new Cana-
dian Express Agent and reputed to
be one of the best football kickers
in Ontario, stepped on a lead pipe
protruding from the ground while
chasing the pigskin in a practise
game at the exhibition grounds on
Tuesday night, and so wrenched his
right knee that medical treatment
was required and the wearing of an
electric stocking since has been nec-
essitated by the mishap. The injury
is likely to put Mr. Schmidt out of
the game for the season, which will
be a serious blow to local football
prospects.—Herald-Times.

NEW PHONE RATES.

The new long distance telephone
rates came into force on Friday last.
The principal difference is in regard
to calls when a particular person and
no other is required to speak. In
such cases the Bell Telephone Com-
pany is entitled to make an extra
charge, and similarly, if a report is
given regarding such a party. For in-
stance a subscriber in Mildmay
wants to speak with a certain indi-
vidual in Toronto. The operator in Tor-
onto may have to call several times
to ascertain if that party is able to
answer the call. Later a report is
made to Mildmay that he may not be
in all day. The subscriber in Mild-
may would get all that information
under the former rates without any
charge. Now, if a particular indi-
vidual is desired there will be an ex-
tra charge for that service, and if a
report is made regarding a call, there
will also be a "report" charge which
of course, will not be as much as if
the call was completed. There will
be no change in the practice regard-
ing station to station calls, that is a
call from one subscriber in Mildmay
to another in Toronto, and so on.
