Analysis of the Water of the Georgian Spring.

I have made a careful quantitative analysis of a quantity of this Water sent me by the Proprietor of the Spring, Captain Kains. It is a Saline Water, containing earthy Chlorids, with portions of Bromids and Iodids, thus resembling the Plantagenet Water, from which it differs chiefly in the presence of a portion of Sulphates, which are not often met with in Waters of this class in the Province. It has a specific gravity of 1008.78, and contains in one pound avoirdupois, the affixed quantities of the following substances:—

	Grains.
Chlorid of Sodium	66.22000
Chlorid of Potassium	.72800

And are intended to arrive in Montreal the same evenings, in time for the Quebec Boats, at Seven o'clock.

IN addition to the Ports above named, the Boats will call at the other important LAKE and RIVER PORTS.

After the 30th day of September, the Boats will discontinue to call at Lewiston, and make Hamilton the Port of departure, at 7½ o'clock, on the mornings of Mondays, Wednesdays, and Fridays.

The establishment of this Line will enable the Merchants of Canada West to remain throughout the business day in Montreal, and to reach their homes almost as early as if they had gone by the Mail Line at noon, and connecting, as the Boats will do, with up and down Express Trains at Ogdensburgh, they will afford direct conveyances for Passengers and Freight between the Canadian Ports and the Eastern States.

It is deemed unnecessary to dwell upon the advantages of First Class Steamers passing direct from the head of Lake Ontario to Montreal, and a rate across, over those of Lines that involve a transhipment (on the downward trip) at an unseasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate charge will be made for meals.

The Line will be commenced by the *HIGHLANDER* leaving Montreal on TUESDAY, the 26th instant; the *CHAMPION* on THURSDAY, 28th; and the *MAY FLOWER* will be out next month.

For Freight or Passage, apply to the Captains on board, or at the NEW THROUGH LINE OFFICE, No. 204, McGill Street; or for *CHAMPION* and *MAY FLOWER*, to Macpherson, Crane & Co., Montreal; Macpherson & Crane, Crane & Co., Montreal; Macpherson & Crane, Prescott, Kingston, and Hamilton.
