Save 50,000 More

The Canadian Committee of the
Save the Children Fund is not relaxing
its efforts. It feels while there
has been a fine response to the appeal,
there is still much that Canada
can do to help to alleviate the distress
in Russia.

The Fund has now gone beyond
\$380,000. This sum is sufficient to
bring relief to about 75,000 children.
When we remember, however, that
there are in the famine stricken regions
of Russia more than thirty-three
million people who are suffering the
pangs of hunger. What Canada has
done so far is a very small part of
what ought to be done in the name
of humanity. The same effort repeated
will add another fifty or seventy-five
thousand children to those who are
now receiving food at the hands of
the Canadian Committee.

Is this not something to strive
for? Are those who have not subscribed
so far to be unresponsive to the cry
that comes from Russia—the cry of
little children who through no fault
of their own have been bereft of the
ordinary comforts and necessities
which are the right of every child
born in this world?

Send your subscription to Sir
George Burn, Treasurer of the "Save
the Children Fund," Ottawa, or forward
it through the local committee or bank.

in the village this week.

of Detroit, Mrs. Shafer of Olean, N.
Y., and Mr. and Mrs. Schrader and

and child welfare, Tuesday and Wednesday
of this week.

at the Rectory on Monday morning,
coming from England on the Minne-
dosa on which he acted as chaplain
for the S. B. C. K. He has been

past twelve months.

Base Ball

Great was the victory of the Juniors
on Saturday last over the strong
Maple Leafs of the Junior City league.
The Waterdown team never
lost heart but kept fighting to the
last man out. Reid pitched great
ball, but in the seventh he lost the
location of the plate, walked two
men, when Manager Lovejoy pulled
him and sent in his other ace, Arnold,
who proved a wizard also for the
opposing batters. With two on
and none out he struck out two, and
Foster, who had been putting up a
grand game all day, dropped on the
third man out, who was trying to
steal home with a tie run, leaving
the score 5 to 4 in favor of Water-
down. Nicholson in right field put
up a sterling game, both at bat and
in the field. Herb Slater never was
better on first, and with Harry Slater
at his best and young Baker, who is
just breaking into the game, going
good at third, it is little wonder they
won. Saturday, May 13th will be
the next league game at home, and
Manager Lovejoy would like all the
town people to come out and cheer
the Juniors on to another victory.
Mr. Lovejoy says there will be seats
for all on the grounds, and when he
says that he means it.

Ellis Gordon & Son are presenting
to the two Waterdown ball teams,
prizes consisting of a pair of grey
flannel pants to the local Inter-
mediate player making the first home-
run, and a new cap to the first local
Junior player doing the same stunt.
Manager Torrance of the Inter-
mediates will also give a new straw
hat to the first player hitting a home
run on his team. The boys certainly
have something to hit for now.

Two league games will be played
here Saturday afternoon. The Juniors
and the Olympics of Hamilton
at 2 o'clock, and the Intermediates
and Imperial Cotton at 4 o'clock.

Another Minstrels

One of the biggest and best con-
certs ever put on in the Roller Rink
by choral talent will be held on the
evening of May 24th, in aid of the
new Memorial hall. The ladies'
committee of the concert is now at
work on the program sparing neither
time or effort to make it a success.
The minstrel choral with new songs,
new jokes and a short play consist-
ing of sixteen characters will make
a big hit.

VOTE OF THANKS.

The W. A. A. A. desires to thank
all who helped and took part in the
Minstrel shows. Also Grant Sprin-
er for his kindly act in driving the
boys to Binbrook free gratis.

The 24th in Waterdown

The W. A. A. A. will hold a big
celebration on the 24th. Both of
Waterdown teams will play league
games in the morning, and in the
afternoon there will be a baseball
tournament, track events and other
exciting performances, followed in
evening with the big minstrel show
and concert.

Gold Medalist

Miss Aileen Thorne, the child
pianist, winner of the gold medal in
the Hamilton public school competi-
tion, who played at the May Day
fete in the Memorial school auditor-
ium last Monday evening. She is a
pianist with remarkable talent and
poise, and is just eleven years of age.

She is a pupil of Miss Edith M.
Widdup, Conservatory of Music.
Much credit is due to Miss Widdup,
as this is the third time that a pupil
of her's has succeeded in winning
the coveted award. The first year
(1919), Miss Evelyn Penny was the
successful pupil and in 1921 Miss
Eunice Bond, while Miss Jean Rod-
gers was awarded the district piano
medal in 1920.

Aileen Thorne is a grand-daughter
of Mrs. Jane Baker of this village.

Mrs. Harriett Ellsworth

Mrs. Harriett Ellsworth, wife of
Jacob Ellsworth, died at her home
here on Monday morning last, after
a brief illness, in her 66th year.

afternoon at 2 o'clock, from her late
residence, Mill street, to Grace
Church Cemetery. The Rev. H. J.
Leake conducted services at the

The G. W. V. A. held their semi-
monthly meeting on Friday evening
last, at which it was decided to dis-
continue the semi-monthly meetings
and hold them monthly during the
summer. After the general business
was disposed of, on the invitation of
Capt. Sawell the members adjourned
to his home, and were entertained to
a splendid supper by Mr. and Mrs.
E. T. Sawell and daughter Velma,
and at eleven o'clock, after a hearty
vote of thanks, the meeting adjourned.

Public School Field Day

The first annual Field Day of the
Waterdown Public School was held
on the school grounds last Friday
afternoon, and a splendid program
of sports was given. The exhibits
of household science and manual
training work were a credit to the
school. The baseball game between
teams from Flamboro Centre and
Waterdown schools resulted in a
score of 26 to 6 in favor of Water-
down.
