WHERE ARE THE MEN?

Editor Truro News:—
On looking over your newsy paper of Jan. 9, 1919, I noticed a few lines headed "A Word to Workmen" and high wages; and about a Truro man giving a job of cutting wood at \$2.00 a cord; and after the chopper worked a few days left his job and skipped off. The article went on to say that a man could cut two cords a day easily. I will ask the question, where are these two cord men? Very scarce; perhaps one in five or six hundred; and they would likely be found about the town of Truro.

When I read about the woodchopper it put me in mind of a man, who a few years ago came from the town of Truro and bought a farm and the stock combined. A part of the stock was a nice flock of hens and producing some eggs at the same time. It was about the first of May. He hired me to tend the stock for a while when the hen feed ran out I went to Truro to see about getting some. As he was out of town, I went into a grocery store to leave word for him. When I told the grocer man of about forty years, he said; "great stars I thought when the ground was bare hens would lay without any food. I think the man that thinks it so easy to cut wood must be a grocer or drygoods merchant."

A MAN IN THE BRUSH.
When he recovered he was back in the firing line again.
He was in many sharp actions with the Huns; and was wounded at Vimy Ridge; and thence to Hospital in England.

GUARD THE BABY AGAINST COLDS.

To guard the baby against colds nothing can equal Baby's Own Tablets. The Tablets are a mild laxative that will keep the little one's stomach and bowels working regularly. It is a recognized fact that where the stomach and bowels are in good order that colds will not exist. The health of the little one will be good and that he will thrive and be happy and good natured. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

A Stubborn Cough Loosens Right Up

This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very prompt in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarseness, croup, whooping cough, bronchial asthma or winter coughs.

To make this splendid cough syrup, pour 2 1/2 ounces of Pinex (50 cents worth), into a 16-oz. bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer, use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you get 16 ounces—a family supply—of much better cough syrup than you could buy ready-made for \$2.50. Keeps perfectly and children love its pleasant taste.

Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Toronto, Ont.

NEVER TROUBLED WITH CONSTIPATION SINCE TAKING MILBURN'S LAXA-LIVER PILLS.

Too often one is liable to dismiss constipation as a trifle. It is not. When you allow your bowels to become clogged up, there pours a stream of polluted waste into the blood instead of it being carried off by nature's channel, the bowels, and when this waste matter gets into the blood it causes headaches, jaundice, piles, liver complaint, sour stomach and many other troubles.

By taking Milburn's Laxa-Liver Pills you will find that the bowels will be kept regular in their action, the poisoning of the blood and general weakening of the system is rectified, and the entire body is restored to normal condition.

Miss Elsie Zimmerman, Theford, Ont., writes:—"I have used your Milburn's Laxa-Liver Pills for constipation, and have never found myself troubled since. I am very glad to have found something to cure me, and will always tell everyone about them who is troubled in the same way as I was."

The Society for Prevention of Cruelty is still unrelaxing in efforts to see that the animals get their proper share of attention.
