Scottish and Canadian Tweeds at cost. 18

of old friends have been and are
spending the holidays in Wolfville.

LAST TRIP.—The steamer Dominion
makes her last trip of the season from
Yarmouth to Boston on Saturday, 1st
January, 1887.

Borden has just received another lot
of those famous American Overshoes—
Waterproof, Automatic Fasteners and
Heel Plates. 16

LAST NUMBER.—With its last number
our little contemporary the *Spring Hill Times* becomes a thing of the past,
the paper having been purchased with
the intention of enlarging and changing.
The *Times* has always been bright and
new and a welcome visitor to our table,
and we regret its disappearance from
our exchange list.

PRESIDENT.—Mrs T. A. Bishop,
matron at the Academy boarding-house,
was presented by the students
of the Academy, at the close
of the last term, with a handsome set

and the kindly feeling which exists be-
tween her and the students.

FAREWELL SERVICE.—On Sunday eve-
ning last a very pleasing service was held
in the Baptist church, it being the occa-
sion of Rev. Mr. Bogg's last meeting with
the church previous to his departure for
India to resume his missionary work.
Addresses and prayers were made by the
pastor, Dr. Sawyer, James, D. F. Higgins,
Prof. Robinson and C. W. Roscoe, Esq.
The meeting was also addressed by Rev.
Mr. Bogg. The choir furnished excellent
music during the evening which added
much to the service. Mr. Bogg and fam-
ily left on Wednesday for New York, en-
route for their field of labor, followed by
the best wishes of all.

The Celebrated *Electric Dyes* are
the most lasting of all colors. War-
ranted strictly pure. 10 cents at
Druggist and Grocers.

WOLFVILLE BAPTIST S. S.—A very in-
teresting service was held in connection
with the Baptist Sabbath school of this
place on Sunday last. This was a thank-
sgiving service with a special collection,
arranged for by the superintendent as an
expression of gratitude that no death had
occurred in the school during the year.
The contributions were brought in enve-
lopes accompanied by appropriate texts.
These were read by the superintendent.
The exercises were varied, consisting of
recitations by Edie Bann and Miss Fanny
Roscoe; addresses by Rev. W. B. Bogg,
Mr. Baker of Falmouth, and E. D. King,
Esq. of Halifax; together with some
excellent music by the school. A letter
to the school from Rev. Walter Bann of
Witter. This letter expressed the con-
tinued interest the writer felt in the
Wolfville Baptist Sabbath school, convey-
ed the greetings of the season, and asked
the school to contribute something
towards a mission chapel his church was
building. At the close it was announced
that the special collection amounted to
\$18.46 and that the whole amount raised
by the school during the year for mis-
sionary purposes was \$14.86, of which sum
the nupt. contributed \$50.00.

LOST.—On Tuesday evening Dec. 14th,
between Scott's Corner and the ACADIAN
Office, a Silver-plated Harness-bell. The
finder will be rewarded by leaving it at
this office.

MISS WADSWORTH.—Miss Wadsworth,
the principal of Acadia Seminary, has
been lecturing in Halifax during the past
week, and according to the reports in the
daily papers, is winning golden opinions
in that city.

WEEK OF PRAYER.—Next week will be
the week of prayer and will be observed
as usual by the churches in the usual or-
der, viz, Monday, Baptist; Tuesday,
Methodist; Wednesday, Presbyterian;
and so on. The subjects for prayer are
published in the different religious papers.

CHRISTMAS.—Christmas passed off
quietly in Wolfville. A heavy rain fell
during the forenoon which prevented
out-door amusement, and the mild weath-
er caused the rink to be unfit for skating.
The services in the churches were not at-
tended very largely. A good dinner was
provided for the poor people of the place
in "Mission Hall."

Choice Imported and Domestic Cigars
at 3, 4, 5, 7, 8 and 10 cents at
J. M. Shaw's 35

NARROW ESCAPE.—On Christmas eve,
a stranger who had evidently been imbib-
ing pretty freely, while attempting to
board the express at this station, fell be-
tween the car and the platform. He was
stunned by the fall, which probably saved
his life as he lay perfectly still close
beside the track while the train passed
over him. With the exception of a slight
cut on the head and a few bruises he es-
caped uninjured.

Having recently imported a "Perfec-
tion Slide Shaver," I am prepared to
sharpen and put in first-class order shears
and scissors of every description. Perfect
satisfaction guaranteed. J. M. Shaw, 35

HOME AGAIN.—Our old friend, Mr. W.
H. Evans, who has spent the past five
years in the Northwest, returned home
on Thursday of last week. He looks as
though the climate had agreed with him
and speaks in very favorable terms of
the country. Mr. Evans was one of those
who took part in the putting down of the
Riel rebellion, and a descriptive letter
written by him, it will be remembered,
appeared in the ACADIAN about that
time. His many warm friends in Wolf-
ville are pleased to see him back.

Manitoba at Borden's. The Manitoba
is a very high cut, well lined, waterproof
Overshoes just the thing for deep snow. 9

Grand Pre Items.

Mrs Otis Rathbun and family of five
arrived in the Northwest safely and found
a comfortable house ready for them, and
plenty in the house.

The Hot Supper netted \$56.00, which
says in full for renovating the church.
Mrs A. R. Curry deserves the lion's share
of commendation in this.

Prof. Spiny begins his singing school
next Wednesday.

We are to have a course of lectures
and a public entertainment by the Divi-
sion this winter.

TAKE NOTICE.—If your razor is
dull, take it to J. M. Shaw's Barber
Shop, and he will put it in first-class
order for the small sum of 15c. 10

PRESIDENT.—Miss McLeod, teacher
in the intermediate department in our
school, resigned her position on the dis-
missing of the school for the holidays. Her
pupils showed their regard for her by
presenting her on the last day she was
with them, with a handsome silver fruit-
dish and the following address:

DEAR TEACHER.—It is with deep re-
gret we learn that you are about to leave
us. We feel deeply the loss of a good
teacher and kind friend. We liked you
from the first and since then we have
learned to love you; so now it is hard
to say "good-by." We do not think we
can get a better teacher than you have
been to us. We wish to thank you very
kindly for all the care and attention ever
manifested for our welfare during the
past year and would humbly ask your
forgiveness for any apparent neglect or
disobedience on our part. We cannot
let you go from us without expressing
our appreciation of your worth by offer-
ing you the accompanying piece of silver
ware. Please accept it as a small token
of our love and esteem for you. Hoping
that Heaven's richest blessings may ever
attend you, believe us dear teacher

YOUR AFFECTIONATE PUPILS.

Though she has only been connected
with the school a short time Miss McLeod
has won the confidence and love of
pupils and parents alike and her depar-
ture from among us is deeply regretted
by all

If you wish to color wool, cottons,
silk or feathers, use the new *Electric
Dyes*. Strongest and Best in
the world. 10 cents at all dealers.

HYMNAL.—A pleasant event took
place at the residence of J. Lovett
Bishop, Esq., at Greenwich, on Wednes-
day afternoon last, it being the mar-
riage of his daughter Minnie and
Thomas T. Davis, Esq., Principal of
the Male Academy at Mt Allison.

Rev. D. W. Johnson performed the
ceremony. Miss Minnie Black, of
Sackville, acted as bride-maid, and
Mr. William Davis, of Amherst, as best
man. After the ceremony a large
number of relatives and friends accom-
panied the happy couple to Port Wil-
liams Station, from which, after waiting
considerable time for the train, which
was late, they took their departure en-
route for their new home at Sackville,
amid showers of rice and good wishes.
This is the third of King's counties'
fair daughters who has gone to the sis-
ter province for a home within six
months. The ACADIAN extends con-
gratulations.
