This year again the old order of holding first a session of the retiring Council was followed at the regular meeting of the Council, which was held on Wednesday evening of last week. The cost of the department of Fire and Water amounted to \$70.65, and this was due to work done on hydrants. Ten private service pipes had been thawed out by the use of the town's electric appliance for that purpose. Mr. Stairs reported that contracts had been made for clearing wood off a section of the water-shed lands, and that the work was now in progress. He recommended the purchase of cheap coats for the use of firemen who were required to remain in the building during the night.

The sum of \$11.63 was expended on account of the sewers for opening up catch-basins, etc. The department of police and licenses cost for the month \$12.15 and the receipts from licenses, fines, etc., amounted to \$105.

WOLFVILLE DEFEATS KENTVILLE 4 TO 3

But Fails to Win Series and is Eliminated From Balance of Schedule

To decide which team, Wolfville or Kentville, should be dropped from the Valley League Schedule for the remainder of the series, two games were played this week. Although each team won a game, Kentville scored the most goals and the locals will not play in the second half of the League schedule.

The first game was played at Kentville on Monday evening and resulted in an overwhelming defeat for the Wolfville boys who could not seem to get going at any stage of the game. The final score was 12 to 1 in favor of the Kentville team, which gave a splendid exhibition. Wolfville scored their lone tally in the second period, when Bishop made a fine rush up the ice and fooled Barnaby, while McKenna was off the ice for getting on his knees. The teams were as follows:

Wolfville—McKenna, goal; Bishop and Thomson, defence; Bartheaux, Dick, Rand, King and Woodman, forwards.

Kentville—Barnaby, goal; Corbin and Parker, defence; G. Kennedy, W. Kennedy, Bennett, and Cox, forwards.

The second game was played in the local rink Tuesday evening, when the Wolfville boys clearly showed that they had an off night the previous night, by turning the tables on their opponents and defeating them by the score of 4 to 3. The locals put up the best exhibition they have displayed this season, and the game was very fast considering the state of the ice. Only about two hundred spectators turned out to witness the game.

Waldron Kennedy and Buck Bennett were the pick of the visitors, while Thomson, Bartheaux and Rand starred for the winners.

In the opening session, when he scored the only goal of the period. Bartheaux and Rand scored shortly after the start of the second period and Kentville made a comeback, Waldron Kennedy getting two goals and Buck Kennedy notching up a third tally, tying the score.

Wolfville had a big edge in the playing in the third session and Barnaby was peppered with shots from all angles. Andrews gave the locals the game when he sagged the draperies in the Kentville nets during a scramble in front of Barnaby. The players:

Kentville—Barnaby, goal; Corbin and Parker, defence; W. Kennedy, centre; G. Kennedy and Bennett, wings; Oylar and Cox, subs.

Wolfville—McKenna, goal; Thomson and Bishop, defence; Dick, centre; Bartheaux and Rand, wings; Andrews and King, subs. Ves Laing, Kentville, and Ted Stackhouse, Wolfville, handled both games in a most satisfactory manner.

NEW HOCKEY SCHEDULE

The last section of the Valley Hockey League schedule as recently amended is as follows: (Home team is named first) Feb. 11—Windsor—Canning. Feb. 13—Windsor—Kentville. Feb. 16—Canning—Kentville. Feb. 18—Canning—Windsor. Feb. 19—Kentville—Windsor. Feb. 20—Kentville—Canning.

"PICTURE HAT" SPRING DRIVE IS A FAILURE

PARIS, Feb. 5.—The spring offensive of the "Picture Hat" has failed for the third successive season, and milliners fear that small chapeaux will reign supreme until women allow themselves more hair than at present.

The hats seen here are close-fitting, especially at the back, where there is frequently no brim, or a small turn-up one at the most. Crowns are high, and are pinched and pulled about to rob them of stiffness or harshness. The brim too, follows no set line but is shaped to suit the face.

Black, beige and leather brown continue to be the colors most worn. Suede hats are also popular.

Observers had a splendid opportunity to view the lunar eclipse, which occurred early last Sunday evening. The moon rose about 5.30 o'clock and the eclipse was at its best at about 7.30.

ACADIA LOST TO MOUNT ALLISON

In First Game of Intercollegiate League Played at Sackville—Score 5 to 3.

SACKVILLE, Feb. 5.—Playing a brand of hockey seldom witnessed in Maritime intercollegiate circles, the Mount Allison University squad stepped into Acadia on home ice tonight and trimmed the Wolfville collegians by a score of 5 to 3. It was apparent from the time the teams took the ice that a battle royal was on. Mount A last defeated Acadia in 1922 and were naturally out to prevent defeat this year.

Both teams played hockey from the word go. Mount A had a slight edge in the first few minutes of play. After about five minutes of action, R. W. Johnson was injured when he collided with a teammate, and was unable to continue. McLellan got two minutes for tripping, and shortly after Bartheaux was chased for the same offence. Play was heart breakingly even until the twelfth minute of play, when Wilson McLellan, who curiously enough had just been ordered off for relief went down the side and shot through Elderkin for the opening score. From the resulting face-off, Allison Rogers skated around the defence, and on a lone effort, made it two for Mount A. About two minutes before the bell, after strenuous hockey on the part of both teams, Wright went down on an individual effort and cut the puck through Archibald and a minute later Roy Smith notched Mount A's third on a pass from MacLean.

The second period opened with if anything, a faster pace than the first. The local defence uncorked some remarkable rushes, but it was the work of the Mount A forwards and the fast Acadia defence that was really remarkable. After five minutes, McLatchey raised Acadia's hopes by sending an easy shot past Archibald, who was playing his usual fine game in the twine. Mount Allison had the advantage in territory play until near the end, when R. D. Johnson skated through and evened the count.

The final frame was the fastest of the game. Both teams stepped into it to win, and they knew they were in a hockey game. At the start of this period one of the Acadia players swiped McNaughton, stirring little Mt. A defence player, across the ankles and after the rimp that ensued it was rather difficult to see the justice in the referee's action in sending both McNaughton and his assistant to the coop. Acadia had a slight advantage until after half time when the period was all Mount A. Captain Lyell Wyse put the local collegians in the lead when the period was fourteen minutes old, and Mill McLellan put the game on ice with a shot from the wing a few minutes later.

Line up: Acadia—goal, Elderkin; defence, Wright, (Capt.), R. D. Johnson; forwards, Vincent, R. W. Johnson, Bartheaux; subs, Eaton, McLatchey. Mount Allison—goal, Archibald; defence, Rogers, McNaughton; forwards, McLellan, McLellan, Wyse; subs, Smith, Winters.

Neil Wilkie, Halifax, refereed. The officers elected for 1925: Regent—Mrs. J. Elliot Smith. 1st Vice Regent—Mrs. Percy Benjamin. 2nd Vice Regent—Mrs. Wm. Grant. Secretary—Mrs. A. G. Cowie. Treasurer—Miss Stairs. "Echoes" Secy.—Mrs. L. E. Shaw. Educ. Secy.—Miss Marjorie Haley. Standard Bearer—Mrs. W. A. Reid.

DEAR MR. CREASE: I thank you for the box of chocolates which reached me a few days ago. Really I take off my hat to the manufacturers. The chocolates are as good as I have ever tasted and my wife, who is a better judge than I, says they are the best she has eaten. I am no longer from Missouri, but am ready to concede that you Canadians DO know how to make candy. (From a letter written by Mr. A. C. Shaffer of the Insurance Company of North America, Philadelphia.) Needless to say the chocolates referred to were made by Moirs.
