# **BUFFALO TEAM BADLY DEFEATED**

# Hamilton Basketball Team Won by a Score of 61 to 13.

Tankard Finals Commence To-day at Toronto-List of Previous Winners of the Great Curling Trophy.

The international basketball match between the Buffalo Centrals and the Hamilton Y. M. C. A. team proved to be an easy victory for the local champions of Canada at the Alexandra Rink last evening, when the visiting team was easily defeated by the large score of 61 to 13. The aggregation that repre sented the Centrals was not the same as defeated Long's players several years ago, although up to last night they had crack teams in the bordering States They came confident of success, as all lo, and acknowledged after the struggle that they had learned many a trick from the Canadian champs.

The team that is holding Hamilton to the top in the basket game is, without a the top in the basket game is, without a doubt, the strongest of their six championship seasons, and this was shown last evening especially, when the combination, as well as the individual feats of the local men puzzled the team from Buffalo. The court of the Alexandra Rink is an improvement over the Y. M. C. A. gymnasium, more space for long shots being quite noticeable. It was the first time that any players had performed upon it, but it was just the same to first time that any players had performed upon it, but it was just the same to the Y. M. C. A. boys. Treasurer Carley, of the Alexandra Rink, announced that between eight and nine hundred spectators witnessed the contest, there being lots of room for more. The floor was in good condition, the seating and view being aveilent.

Buffalo was first to score, and led for about two or three minutes, but that's all. Time and time again the ball would be passed all through the local team's hands, finally to Grey or Smith, and then into the basket, till at half time the score, boys marked 33 for Hamilton and 4 for Buffalo. The second half was just the same; the visitors scored a few more points, but towards the close of the game they were all in. Their combination was the same; the visitors scored a few more points, but towards the close of the game they were all-in. Their combination was all broken, nearly all their points being from judividual playing or from fouls. Although the game ended 61 to 13 it was interesting, and the large audience an played a heady game, always trying hard for a score, and played harder toward the finish, than at the start. The combination was pretty, and Grey and Chadwick played the best as far as the score goes, but the others helped them. For Buffalo, Richardson and Whytock seemed to be the pick. #### NEW ART CLUB. Seceding Painters Open in Toronto

First Exhibition. Toronto, Feb. 4.—A new regime in Canadian art was begun— it is hoped by its inaugurators—by the opening of the first exhibition of the Canadian Art Club, yesterday, in the York County Municipal Building. The new organization, which includes eight of the strongest Canadian artists—represent a secession from the Ontario Soorganization, which includes eight of the strongest Canadian artists—represent a secession from the Ontario Society of artists, and an endeavor to make a more powerful appeal to the Canadian public, and a more direct attempt at Canadian possibilities than has ever before been possibile. Such secessions have taken place in every art centre, where there has been an authorized academy of art. They have always proved beneficial to art in general, to the seceders and to the seceded from. In the present case, the latter effect may be judged by the exhibition of the O. S. A., which will soon be opened. As for the seceders themselves, the present exhibition is sufficient proof of the good effect of their action for an exhibition containing examples of the best work of such men as Cartis, Williamson, Archibald Browne and Homer Watson, not to mention others of less local fame but equal merit, cannot fail of its effect.
