

THE CANADIAN ORDER OF FORESTERS

THE THIRTIETH ANNUAL SESSION OF HIGH COURT

The Year 1908 Was the Most Prosperous in the History of the Order

A LARGE DELEGATION IN ATTENDANCE

The thirtieth annual session of the High Court of the Canadian Order of Foresters opened in the city of London yesterday afternoon, with a large number in attendance, including High Court Officers and delegates, representing Subordinate Courts of every Province of the Dominion. It is just twenty years since the Order last met in this city, and the event is an important one, not only on that account, but also owing to the fact that in this city thirty years ago the society first saw the light of day. Here it received the name Canadian Order of Foresters. Its founders were fortunate in the choice of a name, at once euphonious and patriotic. Since then the Order has steadily grown in importance, until its interests are now firmly established in every Province of the Dominion, and its record a splendid testimony of what can be accomplished by Canadians in Canada.

After the usual opening ceremonies and the appointment of the several standing committees, the High Court Officers submitted their reports, which showed the Order to be in the most flourishing condition.

The High Chief Ranger, J. A. Stewart, of Perth, Ont., after extending a hearty welcome to the representatives present, submitted his report, which was replete with facts and figures relating to the growth and extension of the Order during the last year.

The year closed with a membership of 70,757. The increase in the Insurance Reserve during the year amounted to \$302,249.07. On January 1st, 1908, the amount on hand in this Branch was \$2,426,690.87, and at the close of the year \$2,728,940.54. There were 391 death claims paid, amounting to \$396,681.82.

The sick and funeral benefit department is also in a flourishing condition. During the year no less a sum than \$134,371.88, covering 5,836 claims, was paid in this branch. The amount to the credit of this fund at the close of the year was \$142,906.70.

The High Chief Ranger, in concluding his address, expressed the hope that the meeting would be a pleasant one for the members and a profitable one for the Order, and felt that if ever there was a time in the history of the Order when the members should all feel inspired with hope and confidence in the future of Canadian Forestry, that time was the present. In an inspiring address he urged upon the representatives to do all that in them lay to make 1909 the banner year of the Order.

The report of Geo. Faulkner, High Secretary, covering the general work of the society, was next in order, and showed in detail the large volume of business transacted through the head office in Brantford.

The amount of insurance premiums received during the year was \$597,273.16, with the large sum of \$101,853.33, derived from interest earned on investments, made the total receipts in this branch \$699,131.49. There were 391 death claims paid, amounting to \$396,681.82, leaving the large sum of \$302,249.07 to carry to the reserve fund, which at the close of the year was \$2,728,940.54.

The sick and funeral benefit branch of the Order also showed a marked advance. The amount of fees received during the year was \$139,139.61, and interest earned \$5,174.49. The total receipts, therefore, amounted to \$144,314.10. There were 5,836 sick and funeral benefit claims paid, amounting to \$134,371.88, leaving \$29,942.22 to carry to the reserve fund, which at the close of the year amounted to \$142,906.70.

There were 70,757 members in good standing at the close of the year, carrying \$71,175,500 of insurance, and the membership in the Sick and Funeral Benefit Branch was 43,654.

There were issued from the High Secretary's Office, 6,758 insurance certificates, and 6,047 membership certificates, or a total of 12,805, and in addition there were endorsements made on 1,388 insurance certificates.

The report of Robt. Elliot, High Treasurer, showed the funds of the Order to be in a most satisfactory condition. The receipts in the several funds were insurance, \$699,131.49; sick and funeral benefit fund, \$144,314.10; general fund, \$91,948.27. Total receipts, \$935,394.56. The total expenditure in these funds amounted to \$625,807.29. The surplus income over expenditure amounted to \$309,587.27.

The surplus income funds are invested as follows:

Municipal and School Debentures	\$2,538,169.03
Dominion of Canada Stock	150,000.00
Deposits in Chartered Banks	20,000.00
Current Accounts in Chartered Banks	20,771.49
Total	\$2,728,940.54

The total assets of the Order amounted to \$2,928,399.39, and its liabilities to \$38,690.59. Assets over liabilities, \$2,889,708.80.

The report of Dr. C. M. Stanley, who has been Chairman of the Medical Board since the inception of the Order, shows that the death rate during the past year was only 5.53 in the thousand. The average death rate for thirty years is but 5.12 in the thousand. There were submitted to the Medical Board during the year 7,886 applications, of which 7,237 were accepted, and the remaining 649 rejected.

The report of W. G. Strong, Superintendent of Organization, showed that during the year there were 6,597 initiations. There were 37 new Courts instituted with a membership of 732.

At the close of the year there were 1,047 Courts in the Order, representing a membership of 70,757. There were 490 Courts in the Province of Ontario, 178 in Quebec, 58 in Nova Scotia, 70 in New Brunswick, 15 in Prince Edward Island, 121 in Manitoba, 63 in Saskatchewan, 36 in Alberta and 16 in British Columbia.

Among those in attendance are the following:

J. A. Stewart, High Chief Ranger, Perth; Thomas W. Gibson, High Vice-Chief Ranger, Toronto; George Faulkner, High Secretary, Brantford; Robt. Elliot, High Treasurer, Brantford; Dr. C. M. Stanley, Chairman Medical Board, Brantford; C. E. Britton, P. H. C. R., Gananoque; L. P. D. Tiley, St. John; J. A. A. Broder, Montreal; A. P. Van Someren, McLeod, Alta.; W. M. Couper, Montreal; Members of the Executive Committee, W. L. Roberts, High Auditor, Brantford; J. P. Hoag, High Auditor, London; W. Walker, High Registrar, Brantford; Rev. W. J. West, High Chaplain, Bluevale; W. G. Strong, Superintendent of Organization, Brantford; Lynn Lee, High Court Solicitor, Hamilton; J. B. O'Regan, High Agent, Quebec; D. E. McKinnon, District High Secretary, Winnipeg; F. H. Davidson, D. H. C. R., Winnipeg; and W. D. Dunbar, P. H. C. R., Napinka, Man.

DEGENERATES.

National Conference of Charities and Correction in Buffalo.

Large Attendance of Workers on Behalf of Unfortunates.

Buffalo, N.Y., June 9.—The sixtieth National Conference of Charities and Correction, which opens here to-night, has brought together a splendid body of men and women, many of whom have made their life's work the scientific study of the best means of caring for or reforming the defective or incorrigibles, feeding the hungry, clothing the naked, educating the ignorant and reforming the transgressors. It is believed that in number of delegates in attendance this conference will be the greatest ever held. The gathering is strictly non-sectarian, and includes in its roster of speakers the leaders of all creeds. The conference is peculiar in that it never formulates a policy nor binds

itself by resolution or otherwise to any specific line of action. It is, in fact, just what the word implies—a conference—where the best thought of the time on social problems is given expression. It is understood a movement has been started in some quarters to build up some sort of a permanent organization, but this will meet with strong opposition from many of the leading delegates, who consider present modes of procedure the best.

Ansel Wilcox, of Buffalo, chairman of the general committee arrangements, will preside at the opening session this evening. He will introduce Dr. J. N. Adams, who will welcome the delegates.

Ernest P. Bicknell, of Washington, President of the Conference, will speak on "Disaster, Relief and Its Problems." Mr. Bicknell had charge of the relief work following the San Francisco earthquake and was also sent to Messina.

Mr. Harry Jellett, a son of the late Morgan Jellett, at one time town clerk of Cobourg, and a brother of the late Judge Jellett of Belleville, was found dead in his bed at his home at San Francisco, Cal., where he had resided for some years.

DISLOCATION OF THE NECK

Was the Cause of Death of Late Roy Strong.

Accident Was Due to Pulmonary Hemorrhage.

Death of Young Man Investigated by Coroner's Jury.

Coroner James Baugh presided at the inquest into the death of Roy Strong, held at No. 3 Police Station last night. Strong came to his death last Tuesday by falling from his bicycle on King street east, near Ashley. Deceased was insured, and the company which carried his accident policy was inclined to the belief that death was caused primarily by hemorrhage of the lungs, basing this belief on the fact that he was seen to wobble while riding his bicycle, and appeared to be in distress. S. F. Washington, K. C., appeared for the family.

The first witness, Russell Kingston, 3 Ashley street, said he was working on King street, near the scene of the accident, and saw the deceased lying on the road, after it had occurred. He went to his assistance and found that he was still alive. Picking him up, he put him on the grass beside the road. The injured man was conscious, but said nothing, and Kingston did not attempt to question him. He sent a boy for Dr. Kappelle and Dr. Morrison, and although they arrived soon after, he thought the man was dead then.

William Vinesley, patrol driver, said he had received a hurry-up call on Tuesday morning, and when he arrived with the ambulance in front of the Victoria Bowling Club the injured man was lying about forty feet from the street. Wheatley said he learned that Mr. Jamieson had seen the deceased riding his bicycle, and that at that time he was apparently in distress, as he was wobbling about on the road. The witness further said that he found a blood-stained handkerchief on the road and saw spots of blood around the dead man's body, and on the sidewalk.

Harry Teeter, druggist, corner of King and Ashley streets, corroborated the evidence of Wheatley and in reply to a question by Mr. Washington said that the wheel was standing against a tree and appeared in good condition. He said that Strong had been bleeding at the nose and mouth and rode up to the sidewalk to dismount, but was too weak to do so. This explains the bruise that was found on the side of Strong's head.

Fred Page, Poplar avenue, was standing at the corner of King and Tisdale streets, he said, when Strong passed him on his wheel. He was apparently suffering and was riding steadily. Page walked up the street, and when he turned round he saw a crowd standing at the corner of Ashley and King. He walked there out of curiosity and saw the man who had passed him lying on the grass. He also saw spots of blood on the sidewalk and grass.

Dr. Kappelle said he was standing at the corner of Grant avenue and King street, waiting for a car when he saw the crowd standing at the corner of King and Ashley streets. He walked up to investigate, and saw a man lying prostrate on the grass, unconscious, near the sidewalk. Blood was on the grass near his head. About a minute later Dr. Morrison arrived and the two carried the injured man to a spot on the grass in front of the Bowling Club. By that time the perceptibility of his pulse had disappeared.

Dr. Morrison said that when he arrived at the scene of the accident blood was issuing from Strong's nose and mouth. He was alive, but his pulse was erratic, beating rapidly at times and weak at others. Dr. Kappelle called attention to the fact that Strong's neck was dislocated. The remainder of his evidence corroborated that of Dr. Kappelle.

Dr. Kappelle was recalled to give evidence concerning the post mortem. The investigation, he said, showed that the cause of death was dislocation of the neck. The deceased had suffered a hemorrhage of the left lung, which, in the opinion of the doctors, occurred before the accident and was responsible for the dizziness which caused Strong to fall from his wheel.

Mr. Washington wanted to know if the hemorrhage might not have been caused by the jar he received when he fell off the wheel.

Dr. Kappelle said it might be possible.

Dr. James White said he had attended Strong for three or four years and during that time he had never had a hemorrhage. He had been treating him for tuberculosis and said that one of Strong's lungs was diseased. He was of the opinion that the accident happened first and the hemorrhage merely an incident.

William Strong, uncle of the deceased, said that Roy was in his office a short time before his death. He did not say a word about his health and appeared to be well and in good spirits.

After the coroner had addressed the jury and explained certain parts of the medical evidence, the jurors retired, and about half an hour later brought in the following verdict:

"We, the jury, find that Roy Strong came to his death from a pulmonary hemorrhage, which caused him to become very weak and fall off his wheel, dislocating his neck, which was the immediate cause of death."

Moth Killers, Etc.

Moth camphor balls, 50 lb.; gum camphor, 3 ozs. 25c; camphorated x't's, 25c tin; cedar flakes, 25c tin; lavender flakes, 25c tin; camphor compound, 25c lb.; moth bags, 25c up. Also lightning camphor and western bug destroyers, 25c; western roach killer, 25c tin; heli-bore 25c lb.; also insect powder and Paris green. At Gerrie's drug store, 32 James street north.

NO WEDDING.

Berlin, June 9.—Geraldine Farrar, replying to an inquiry concerning the report recently published that she was engaged to be married to Antonio Scotti, the singer, writes from Bad Ems as follows: "You may officially deny all reports of my engagement or marriage. They are fabrications which long ago ceased to interest me."

LITTLE MAN GONE.

Shamokin, Pa., June 9.—Harry Botts, 45 years old, three feet eight inches tall, died here yesterday. For 25 years he has worked comedy roles in circuses. He hurt his back five years ago while performing.

ROYAL

Baking Powder

Absolutely Pure

The only baking powder made from Royal Grape Cream of Tartar—made from grapes—

Royal Baking Powder conveys to food the most healthful of fruit properties and renders it superior in flavor and wholesomeness.

AMUSEMENTS

Vaudeville will make its exit for the season at Bennett's theatre to-night, and the advance sale assures a notable farewell.

The management exercised good judgment in bringing Billie Burke's big show here for the closing performance, as indicated by the business this clever aggregation has been drawing, and the satisfaction the bill is giving. On Saturday night hundreds were turned away, and it looks as if this would be repeated to-night. It is easily the biggest vaudeville entertainment ever seen in Hamilton, and the bill contains many numbers that are much above the average.

Of course Clarence Wilbur and his ten funny flocks, including the six O'Connor sisters, Canadian girls, are the topnotchers. Wilbur is a comedian of marked ability and his funny sketch, "The New Scholar," is one of the most entertaining acts in vaudeville. The comedy is bright and breezy, and the singing by the six Canadian girls is a feature in itself. "Uncle Tom's Cabin," a featured in thirty minutes, by a clever cast, is another feature. The elaborate electric and scenic effects are above what one expects to see in the ordinary vaudeville sketch. The Alabama Serenaders, fifteen in number, who appear in connection with this act, are clever dancers, singing and comedians. One of the brightest numbers on the bill is that presented by Maurice Wood, who is classed as one of America's best comedies and impersonators. Her impersonations of Harry Lauder, Eva Tanguay, Anna Held, and other vaudeville celebrities, are exceptionally clever. Frank McRae has a novelty sharp-shooting act that is a genuine novelty. He is the cleverest expert with the rifle seen here yet. The Potter-Hartwell troupe, comedy acrobats, Tom Dempsey, a funny monologue artist, and Carme and Wagner, a lively dancing team, complete a bill that is well worth seeing.

MR. ANNIS TO WED.
New York, June 9.—Mrs. William E. Annis said yesterday afternoon that she would marry again. It won't be right away. Mrs. Annis has decided upon the man and there is an understanding. Probably the wedding will take place next fall. Mrs. Annis won't tell who her new husband is to be.

In her dressing-room at Hammerstein's yesterday, she said: "Yes, it is true that I will marry again. I wouldn't say that I am engaged, that is to say, formally. But there is a man, and he is a nice man, too. He's not exactly a figure before the public, but as this is a more or less personal matter, that doesn't make any difference."

Here Mrs. Annis grew a bit grave. "You see, I don't intend to marry right away. I have been a widow less than a year. It will be a year in August."

"I will continue in vaudeville," said Mrs. Annis, "if the public and the managers say so, because I have been forced through circumstances to earn a living for myself and my children. So far as I know I will continue with my present occupation until my marriage."

PICKING THE SINGERS.
One hundred thousand singers sang last night in contests for places in the big chorus of 6,000 which is to participate in the Grand National Song and Musical Festival at Madison Square Garden from June 19 to 22. The singers were in various towns and cities east of Chicago and north of the Ohio and James Rivers, the territory embraced by the Northeastern Federation of Singing Societies of America. In addition to the big male chorus there will be a chorus of 5,000 school children and a female chorus of 6,000. Those who were selected last night will report to the conductors a few days before the start of the big chorus.

ORGAN-VIOLIN RECITAL.
Much interest is being shown in the approaching organ-violin recital which will be given by C. Percival Garratt, organist, and George Fox, violinist, in Central Presbyterian Church, next Monday evening, June 14th. The programme will be made up of most interesting numbers to suit all tastes. The fact that tickets are being sold rapidly ensures a large audience.

FRANCE WON.

Canada Fourth in King's Cup Competition at London.

London, June 9.—Olympia was packed to its fullest capacity yesterday afternoon for the gala performance of the third annual international horse show, given in honor of the visit of their Majesties the King and Queen. The building was elaborately and beautifully decorated with flowers, and had the appearance of a huge conservatory. The arena represented an old English garden, and the mass of flowers and the bright costumes of the women, varied with the uniforms of the officers present, made a color scene that was striking.

The event of greatest interest on the programme was the jumping competition for the King's Cup, a trophy valued at \$2,500, in which teams representing the Argentine, Belgium, Canada, Great Britain, France and Italy took part. In this competition teams composed of three officers of the same nationality, in uniform, riding either their own or Government horses, covered the entire course and took a number of hurdles. This cup is to be held for one year by the winning nation, and to be returned to the international horse show by June 1, 1910.

First place went to France, with 21½ faults; second, Italy, 28 faults; third, England, 30½ faults; fourth, Canada, 34 faults; fifth, Belgium, 44½ faults; sixth, Argentine, 45½ faults.

AT OAKVILLE.

Marriage of F. A. Hapcott and Miss Christopherson.

A quiet but pretty wedding was solemnized to-day (Wednesday, June 9), in St. Jude's Church, Oakville, Ont., by the Rev. L. W. B. Broughall, when Miss Anna Bella Christopherson, second daughter of Mr. and Mrs. George Christopherson, of Appleton, Ont., became the bride of Frederick Arthur Hapcott, of Ladner, B. C. Miss Sara Christopherson, sister of the bride, acted as bridesmaid, and Mr. John Belyea, of Bronte, Ont., nephew of the groom, was best man. After the ceremony the happy couple left on their honeymoon for Buffalo, the bride travelling in a suit of brown armure cloth, with Tuscan hat. The groom's gift to the bride was a sunburst of pearls, to the bridesmaid a gold bracelet, and to the best man a pearl stick-pin. On their return Mr. and Mrs. Hapcott will leave the last week in June for their home in Ladner, B. C. The costly and beautiful presents show the high esteem in which the young couple are held. The many friends of Mr. and Mrs. Hapcott wish them a happy and prosperous future.

ORATORICAL CONTEST.

The pupils of Highfield School will take part in an oratorical contest to-morrow for a prize offered by Mr. Geo. Lynch-Staunton for the best speech given in the contest. The speeches will be limited to ten minutes, and may be on any Canadian subject. Such contests deserve encouragement, as they help to train the young lad in public speaking, the ability to speak in public being an accomplishment that all young men should strive to acquire. No doubt the contest will be interesting.

ACQUITTED AGAIN.

St. Catharines, June 9.—At the General Sessions this afternoon Arthur Bull was given his liberty by Judge Carman. Bull was charged by George Crain, of Beamsville, with the theft of several sums of money while in Crain's employ as bookkeeper of the Beamsville Brick & Terra Cotta Co. At a previous court Bull was charged similarly and was acquitted then.

GRADUATED AT BOSTON.

Reginald W. Millard, of this city, son of Mr. John W. Millard, manager of the Meriden Britannia Works, was a member of the graduating class at the commencement exercises of the Massachusetts Institute of Technology, Boston, yesterday. G. M. Gilkinson, of Oakville, received his degree of Bachelor of Science.

Stanley Mills & Co., Limited Wednesday, June 9th, 1909

Thursday is the Day of Bargains

Our weekly Bargain Day, coming as it does on Thursday, helps, in a large measure, to offset the rush of Saturday, and it will pay you to come in and do the greater bulk of your shopping on Thursday. You are never rushed on this day and our offerings are such as to command instant attention. Each item in this list is a price reducer.

ONE PRICE TUB DRESSES

On Sale Thursday \$3.00

5 dozen new One-piece Tub Dresses, in black and white, navy and white and pink and white check, American percale, in the new border patterns, made with square cut Dutch necks, long sleeves and a perfect fitting skirt, trimmed with self border, good range of sizes, special, on sale Thursday, per yard \$3.00

MISSSES' PRINCESS DRESSES

On Sale Thursday \$5.50

Misses' or Small Women's Princess Dresses, in white, sky or pink null, made with front panel of embroidery, and nicely trimmed with lace insertion; long sleeves; open back; sizes 32, 34 and 36, on sale Thursday, per yard \$5.50

During the Summer months we will make deliveries at the Beach the same as we do in the city. If you are a Beach resident we will be pleased to receive your order and we can assure you they will have our careful and prompt attention. Leave full instructions accordingly, at our parcel office, phone 719. Parcels checked free to Terminal station in the city.

KILLS HIMSELF.

Worried Over Losses Sustained Through Ennis & Stoppani.

Detroit, June 8.—Adams Milton Holden placed a revolver between his teeth and shot himself to death this morning in his home. Worried over business troubles was probably the cause. He was a member of the firm of Fred S. Osborne & Co., brokers.

Mr. Osborne refused to be seen. When inquiry was made as to the effect of Mr. Holden's death upon the firm he sent out the following reply: "No new business

will be taken, but all old accounts will be taken care of."

In the smash of Ennis & Stoppani, of New York, Holden lost heavily, his firm being the Detroit representative of that concern.

Osborne last night announced the temporary suspension of the firm. He says that a considerable amount is tied up in New York through the Ennis & Stoppani failure, and just what the outcome will be cannot be determined.

The record price of \$400 per ounce was paid for a tiny silver instand of the period of Charles I. at an auction at Christie's, London. The total price paid for the article was \$2,420.

Mrs. Wm. Piper, of Toronto, died of the effects of a dose of carbolic acid, taken in mistake for medicine.

THE NEW JEWELRY STORE

AND OPTICAL PARLORS

DIGGINS & MARSHALL

139 King Street East, Opp. Terminal

have opened up an up-to-date jewelry store. The fine stock consists of the latest designs, of the best workmanship in all lines of
