

# Amatite ROOFING

**Why the Buyer of Amatite Never Complains**

When a man buys ordinary roofing he usually neglects to paint it and after three or four years he comes back to the dealer with a protest. It is human nature to neglect painting roofs.

When a man buys Amatite Roofing he lays it on his building and in three or four years it is still as good as new and does not need any paint. He forgets he has such a roof but no harm is done by that.

There is nothing to neglect in the case of Amatite. Amatite has a peculiar surface—a sort of plastic Everjet Elastic Paint.

A lustrous carbon black paint, very cheap, very durable for protecting all kinds of metal and wood work.

concrete made of pitch and mineral matter.

This surface is plastic enough so that the material can be rolled up into handy rolls in the usual manner and handled just like any other ready roofing. When unrolled on the roof and nailed down it presents to the weather a continuous surface of mineral matter and pitch. On this surface wind, rain, storm, heat and cold have little effect. Year after year it looks up to the sky undisturbed and unaffected. It costs nothing to maintain and relieves the owner from all responsibility.

Dealers can improve their business by selling Amatite and buyers make a good bargain when they buy it. The price of Amatite is less than that of most painted roofings of less weight and durability.

## TRIED EVERYTHING WITHOUT RELIEF

Until I took "Fruit-a-tives"

SARNIA, ONT., Feb. 5th, 1910.

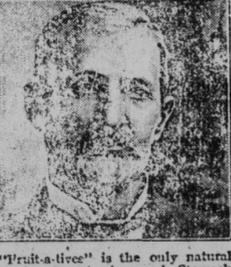

"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors but derived no benefit whatever.

Finally, I read an advertisement of "Fruit-a-tives". I decided to give "Fruit-a-tives" a trial and found they did exactly what was claimed for them.

I have now taken "Fruit-a-tives" for some months and find that they are the only remedy that does me good.

I have recommended "Fruit-a-tives" to a great many of my friends and I cannot praise these fruit tablets too highly."

PAUL J. JONES

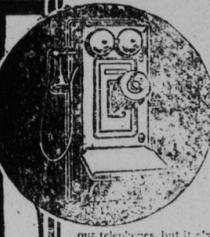

"Fruit-a-tives" is the only natural cure for Constipation and Stomach Trouble, because it is the only medicine in the world that is made of fruit juices and valuable tonics. Hundreds of people have been cured, as if by a miracle, by taking "Fruit-a-tives", the famous fruit medicine.

## ONE MAN ONE VOTE IN QUEBEC

Bill Finally Passed—Males Over 21 Allowed to Vote.

The "One man one vote" bill was finally passed in the Quebec Legislative Council on the 29th ult.

By the new law suffrage is practically given to every British subject in the province of Quebec over twenty-one years of age, and while a considerable number of votes will be removed by the new system, it will on the other hand serve to add thousands more to the list of voters.

By the new bill the right of suffrage is given as follows:

- To any owner of property, lessee or sub-lessee of property, of any value whatever.
- To any son, stepson, or grandson of an owner, lessee or sub-lessee of property.
- To all laborers or tradesmen providing they receive a salary of at least \$120 a year.
- To all clergymen irrespective of denomination, and without any other qualification.
- To all engaged in the teaching profession, irrespective of salary.

The only restriction is that the voter must be a British subject, male, and must be twenty-one years of age or over.

There is no limit of time made for residence or ownership of property.

The new measure is about the nearest step to universal suffrage, and will entirely revolutionize the old system of suffrage in the Province of Quebec.
