MILLET STEWART ARRESTED FOR ROSS MURDER

Word was received in Chatham about midnight Tuesday night that James Ross of Tabusintac, had been shot dead and it is suspected that the motive of the crime is revenge for buying and taking possession of a property at Neguac recently sold at auction for recovery of a mortgage due Mr. White a neighbor. The occupant named La Tulpe lost in a civil case against White and to pay an award of \$600 had to give a mortgage on his property. As no payments were made White foreclosed and the property was sold at auction, being bought by Mr. Ross.

Tuesday Mr. Ross with Constable Adam Dickson of Chatham and Mr. White went to the premises and the La Tulpes were evicted with little friction and Ross agreed to let the man have his potatoes and garden but not his oats. The others went away and Ross was to stay the night in the house, alone. At midnight the chief of police was called by phone and told that Ross had been found shot just outside the house. He was about 50 years of age and leaves a wife and several children.

Wednesday morning, the Chief, Sheriff Cassidy, Coroner Benson and Dr. Duffy left for the scene of the tragedy.

As a result of the evidence given at the inquest into the death by shooting of James Ross of Tabusintac at the Tulippe farm Neguac Tuesday evening, which was held Thursday at the home of Alex Leblanc or White, at Neguac, a prominent resident of that place, Millet Stewart a man about 50 years of age, with a wife and family of five children, was ordered by the jury to be placed under arrest charged with the killing of the dead man. Chief of Police Coughlan of Chatham who went down river with the Sheriff and Dr. Loggie at once arrested Stewart at his home not far from the scene of the murder, and was conveyed by the Sheriff and Chief by auto to Newcastle county jail late Thursday afternoon where he now lies awaiting the action of law.

Coroner M. S. Benson of Chatham conducted the inquest and the principal witness in the case was Miss Torrie Tulippe, a daughter of the evicted farmer, and domestic at Millet Stewart's house. She directly charged Stewart with the killing and while as yet her word is not supported by any other person known to have been in the vicinity at the time the crime was committed, a great deal of corroboratory and confirmatory evidence was contributed by three men, Sam Savoy, Fred Allain and Anthony Savoy and by two of her brothers, Fred and Joe Tulippe.

The evidence boiled down to a consecutive tale tells of a feud of long standing between the two men, and when Ross bid in the Tulippe farm at the auction sale following the foreclosing of the mortgage for \$600 by Leblanc or White, he secured at a fairly low price of \$175 a piece of property the possession of which by him rankled in the mind of Stewart as Ross would be close to where Stewart's fish factory and fishing gear were established, and the unnatural rivalry between two big strong men, one of Tabusintac, six miles away was thus further incensed.

On the day the eviction took place he wanted to interfere, but his wife pleaded with him to keep away and he went to the woods across the road.

ST. ANDREW'S CHURCH PICNIC

A day answering to the best, in weather. A spot, ideal for a picnic. Open walks, shaded by stately trees. A view of the beautiful Miramichi glistening in the sunlight, its rippling waves, dancing hither and thither, sparkling as if diamond crested. All this, at Fletts Beach, where the Sunday School Scholars, teachers, friends, and Pastor, of St. Andrew's Church, in goodly number gathered to spend the day, last Wednesday, near St. Mark's Nelson.

How they enjoyed themselves. Merry laughter rang out. Half a dozen swings took their dizzy flight, venturesome spirits swaying to their fullest bounds, while others gently passed to and fro, as if only moved by a zephyr breeze. Races and prizes took a prominent place, races for the tots; races for boys and girls of tender years; races for those of larger growth for the young men and women; for the married and the single, and how they competed, and struggled to reach the goal.

An ample dinner and tea served upon the grounds, satisfied the appetite. There was a bountiful supply of good things for the table, in the shape of meats, and cakes, of almost every sort, not forgetting a good cup of tea, as a necessary accompaniment.

Old and young were there, all the way from the baby in arms, to white haired grandmothers and grandmothers, some older than the "three score and ten". What memories the scene called to life, and what stories were told of "the days when we were young." Everything passed off with joy and satisfaction.

The busiest and happiest on the grounds was the pastor himself, as from start to finish he became the servant of all. To see the boys crowd him, and have their sport, spoke more than words of the bond of affection between "the shepherd" and his flock. The ladies attended to the duties of the day with zeal and satisfaction. At the close ringing cheers greeted a vote of thanks to all, who had in any way contributed to make the day a success. After cheers were given for the Pastor, the Rev. W. J. Bate, homeward bound" was the cry, and merry "good nights."

BY-ELECTION IN NORTH'D BEFORE NEXT SESSION

Fredericton, Aug. 2—A bye-election to fill the vacancy in the representation of Northumberland County in the provincial legislature, caused by the death of J. Vanderbeck, who died soon after the last session of the House of Assembly, will, the Gleaner says today, probably be held during the autumn.

Premier Foster, when asked this morning, said it would be held before another session of the legislature but did not vouchsafe anything more definite. The fact that Oct. 1st, has been named as the date given by Hydro Electric Commission to have Hydro power from the Nepisiquit Falls brought into Newcastle, the Gleaner says, is regarded as significant in connection with arrangements for the bye-election.

CHATHAM PRIEST ADDRESSES THE HIBERNIANS

Halifax, N. S. Aug. 2—Urging the continuance and increase in the college and school scholarships founded by the Ancient Order of Hibernians, in Nova Scotia and New Brunswick, Rt. Rev. Monsignor O'Keefe of Chatham (N. B.) addressed the convention of that society here tonight on the "Moral Aspects of the Order's Scholarships." Monsignor O'Keefe said he was delighted to be able to inform the meeting, attended by ninety-seven out-of-town delegates and about two hundred women members of the auxiliary, that the scholarship funds were in excellent condition.

Cholera Infantum

Cholera infantum is one of the fatal ailments of childhood. It is a trouble that comes on suddenly, especially during the summer months, and unless prompt action is taken the little one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent all the dreaded summer complaints. Concerning them Mrs. Fred Rose, of South Bay, Ont., says: "I feel Baby's Own Tablets saved the life of our baby when she had cholera infantum and I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.
