Man of the Month.

During the past month, the people of the Great Goderich have been treated to a series of lectures on the subject of "The Man of the Month." The lectures were given by Mr. J. H. Ball, and were most interesting and instructive. The subject of the lectures was the life and character of the men who have made the name of Goderich famous. The lectures were given in the evening, and were well attended. The people of Goderich are very proud of their men, and it is no wonder that they are so interested in the lectures.
