CZAR DISSOLVES DUMA AND ORDERS ELECTION

Announces That Duma Failed Because Non Representative and Modifies Election Laws to Meet the Case .-- Seven Hundred Arrests in St Petersburg Yesterday

parations for the dissolution incl from General Dracheffski, Prefect of St. Petersburg, addressed to the municipal press, announcing that the publication of any article ical to the government will be the press since the days of the black on, and if it is enforced it will entail the suspension of every liberal Socialist Tovianch has already thrown up the sponge and will not attempt

Emperor's manifesto:
"We, Nicholas II., by the grace of Finland, etc., declare to all our faithful subjects that, in conformity faithful subjects that, in conformity with our order and instructions since the dissolution of the first white Duma, our government, has adopted a series of successive measures to a series of successive measures to Duma, whose composition is recognized by us to be unsatisfactory by affairs of state in regular course. The second Duma convened by us was our sovereign will, to the pacification of a state and perfection of its ad-ministration is impossible; next by

elected representatives, the nation ful subjects we look for united and placed upon them by that trust a vigorous service in the direction in-heavy responsibility, and it was dicated by us for the country whose their sacred duty to use their rights sons have been in all times the firm in wise labor for the welfare and the support of its strength, its greatness strengthening of the Russian state. and its glory."

To our sorrow a considerable section of the second Duma failed to justify our expectations. It was not with the will or desire to strengthen. Russia and perfect her new administration that the light of interpelling was transformed by a considerable of sorrow a considerable of the fundamental laws of the fundamental l large classes of people

Lastly an act was committed unheard of in the annals of history. The judicial authorities discovered a president of the council, P. A. Stolyplot by a section of the Duma against | pin. the State and power of the Czar, but when our government demanded the exclusion, until judgment had passed, of 55 members of the Duma implicated in the crime and the arrest of those among them most compromised, the Duma failed to carry ediately the lawful demand of the authorities, which admitted of no

"All this compelled us by ukase to "We find the cause of failure on day. The loss is estimated at \$65,000, the two occasions of activity in the with in surance of \$25,000.

to appear this morning, feeling that suppression is inevitable. Over 700 arrests were made in St. Petersburg yesterday.

The sponge and will not attempt their needs in the Duma, but they ought not to appear and shall not appear in such number as will make it possible for them to be arbitrators.

The sponge and will not attempt their needs in the Duma, but they ought not to appear and shall not appear in such number as will make it possible for them to be arbitrators.
