

More Civility Necessary.

Dear Sir—Now that the lightning bolts of our city are directed at the streets, it would be well for our citizens to consider to be more civil in the streets.

For Next Wednesday.

Dear Sir—As next Wednesday is the last General Holiday for the year, cannot an all-day match between the two cricket teams that played yesterday, be arranged?

Cereal Food That Contains Its Own Sugar

Grape-Nuts

is utterly unlike any other prepared cereal. Take a handful of its golden-brown granules and hold it in a strong light. You will see little shining particles on each granule—a result of the Grape-Nuts process of cookery.

There's a Reason

No sugar is needed, and but little cream or milk, and this makes Grape-Nuts a very desirable cereal these saving days.

Just Folks

The world was full of gladness 'Till the war came on; Now there's much of care and sadness 'Till the old time laughter's gone.

Next Wednesday is a whole holiday and we have no doubt a whole game in aid of some patriotic object would prove interesting.
