"TIRED Nature's Sweet Restorer, Balmy Sleep." But there are times when this "Renewer of Strength" is denied at, times when our minds and bodies have been so over-worked and are so worn out that we "woo the drowsy god in vain." The Peruvian Syrup (an iron tonie) renews our strength and makes our rest sweet and refreshing.

The Reason Why.

The reason why the magnificent Retail Grocery Establishments in the Alms Brock and on Llower Wyndham Street belonging to John A. Wood, are so very popular with the intelligent public:— Because the Goods are all of the bes

quality. Because the Prices are invariably the lowest. Because the Clerks are corteous and

obliging. Because the Stock is the largest to select from.

Because the goods are always clean.

Because the Weights and Measures are

Because the Weights and Measures are always correct.

Because, in fact, the proprietor understands his business, desires to please his customers, makes good use of his capital, and buys for cash in the best markets, and always deals liberally with those who honor his stores with their custom.—These and many other weighty reasons have contributed very largely to make the name of John A. Wood, as connected with the Grocery trade of Guelph, so well known, and his stores so very popular.
