The Venerable Archdeacon Palmer has
placed in my hands for sale the Lots in his
new survey, immediately in rear of his resi-
dence and lying on the north side of Grange
street. The situation cannot be surpassed in
the town—convenient to Market, Post
Office, Church and Schools, commanding a
magnificent view of the town and surround-
ing country. The lots are of different sizes,

first-class soil for gardening.

Those lots on Tyrcathlen Terrace are well
adapted for genteel residences, and will
only be sold to those who will bargain to put
up good buildings.

Plans of the Lots can be seen at my office
and particulars learned.

Terms very liberal. Purchases made
with full interest on balance of purchase
money will not commence until 1st April,
next.

If desired, the lots will be pointed out on
the ground.

Also, 17 other lots lying to the north of
Palmer street, in connection with the survey, and

MANY BURNED OR KILLED BY

JUMPING FROM THE

WINDOWS.

Buffalo, Sept. 19.—Grant's mills at

Fall River, Mass., were burnt this morn-

ing. The building contained some 700

men, women and children, many of

whom perished in the flames. Others

jumped from the windows and were

killed. The cries of the women and

children were heartrending. It is im-

possible to get the number killed, but no

doubt it is large.

FOUND DEAD IN SEAFORTH.—A man

named Robt. J. Baird was found dead

on Thursday in a hut belonging to

Mrs. Mulligan, a short distance below

the station at Seaforth, and marks

of violence were found upon his per-

son.

ACCIDENT IN MEAFORD.—On Thurs-

day night one of the hands, named

Heath, while working in Mr. Brown's

saw-mill in Meaford accidentally fell

against a circular saw, and was so

severely injured that his life is de-

spaired of.

ACCIDENT AT FREEPORT.—Mr. James

McParlett, of Freeport, while at-

tempting to shoot off a gun a few

days ago, burst it and the contents

and a part of the gun flew away,

glancing over his face and injuring

one of his eyes.

The work on the C.V.R. line is

progressing rapidly through the west-

ern part of Dumfries. It is expected

that the whole line from Mr. Barrie's

farm to the Village of Ayr will be

graded ready for the ties and rails

before the frost sets in.

The Imperial Government has or-

dered a list of Canadians who served

under the flag of 1812 to be made

out, and this is being done by the

Militia Department at Ottawa. A

good many are said to be already in-

scribed, and all who are entitled to

be enrolled, and not yet so,

should lose no time in sending in

their names.

CRUELTY TO ANIMALS IN BERLIN.—On

Tuesday last a young man named Han-

nenberger was charged with unlawfully

ill-treating a mare belonging to Judge

Lacombe. Hanneberger drove the mare

to Doon in a double wagon, and, on re-

turning with a load of tiles, the beast—

either from her neck and breast being

so sorely irritated with the harness, or from

natural fractiousness—refused to pull,

whereupon her driver threw off part of

the load, and vigorously plied the whip,

leaving its marks everywhere upon her

flanks and cutting open an old sore with

the lash. A farmer named Cohen, who

saw part of what occurred on the road,

gave evidence in favor of the driver, who,

he said, did not use the whip over-sev-

erely, especially as the mare was allowing

himself to do all the pulling. But on the

whole, the poor beast seems to have

been very badly treated, the whipping

she was subjected to having been stupidly

excessive and altogether unjustifiable

under the circumstances. Hanneberger

was fined \$1.00 and costs, and, we think,

got off well.

This is the second conviction for cruel-

ty to animals that has taken place with-

in a few weeks. There have, we know,

been other cases of cruelty, and the only

city is that the guilty parties should

themselves have gone unwhipped of justice.

When a few more of these persons, who

have less humanity in them than their

own beasts of burden, are made to feel

the strong arm of the law, they will begin
